## **A Field Guide to Responsible**

**Investing** Amy O'Brien, 2025-07-18 For years responsible investing has been a bewildering precinct in asset management To many the idea of aligning your values with your investment portfolio seemed naive Slowly and steadily responsible investing morphed from a movement into an industry on course to command 50 trillion in assets by 2025 a third of the capital at work in the markets And yet responsible investing has remained as difficult to traverse as ever It s drawn fire from critics who ve branded the approach woke capitalism whilst more responsible generations of investors are poised to marshal trillions of

assets of their own into the business we are at an inflection point As a responsible investing practitioner for more than 25 years author Amy O'Brien has taken part in this revolution in asset management With geopolitical conflicts economic instability and climate change fomenting unprecedented polycrises she believes there is no more effective way to address the challenges of the 21st century than through responsible investing Like most tectonic shifts in asset management responsible investing has been complicated hard to define and hard to measure But doing so is not only possible it's also imperative Over nine chapters the book takes readers on a journey of the evolution of responsible investing how it works today why it's integral to investment considerations and how we can finally get a grip on its efficacy It's time to demystify and unpack this invaluable method for managing our assets and our futures

**Outside In, Inside Out** Lance Mortlock, 2025-02-25 The business world continues to be fraught with immense risk uncertainty and complexity Post COVID we've seen the impacts of the war in Ukraine an increasingly bellicose China supply chain disruptions worldwide change caused by artificial intelligence an ongoing banking crisis in the West and now the war in the Middle East Today's business leaders must be exceptionally resilient flexible and agile and never has it been more critical to create a robust strategic plan than it is today Using a novel yet simple framework consisting of both the outside in factors an external environment including customer needs competition market dynamics and trends as well as the inside out factors the operating environment within an organization such as enterprise risks portfolio analysis and business performance that when understood together the book will give leaders the tools to make critical strategic choices to propel forward an organization Outside In Inside Out is an integrated easy to digest how to guide that will challenge assumptions and offer tips and tricks of what to do and equally importantly what not to do to ensure any business develops a competitive edge and achieves success in today's complex world Featuring various outside in and inside out public examples from the likes of Coca Cola Spotify GM Airbnb Microsoft Nike Snapchat Starbucks IKEA Intel Samsung and more furthermore the author takes readers on a journey inside the many organizations for which he has acted as an adviser and brings to the book a practitioner's in depth perspective drawing on nearly three decades of strategic work with more than 80 companies in 11 countries
