Whether you are a Real Estate Broker Marketer Entrepreneur Teacher Salesperson or a parent with kids this journal will transform your life Many successful people practice at least four of six of these activities but rarely do all six So what happens if you do all six activities 1 extra That s for you to find out The Miracle Morning Routine Journal contains 7 steps 1 Silenc Meditation 10 Minutes The first thing to do is meditate for 10 minutes This can be silent meditation or guided meditation There are a number of documented benefits to meditation but doing this will give you added calm focus and concentration throughout the day There are also many phone Apps that can help you get started so don t wait 2 Journaling Part 1 5 Minutes This is made up of two parts Write down three things that you are grateful for today and 3 goals for the day These don t have to be big elaborate things They can be small and simple Also keep the goals just to the day 3 Affirmations or Prayer 5 Minutes Affirmations are positive statements that can help you to challenge and overcome self sabotaging and negative thoughts When you repeat them often and believe in them you can start to make positive changes They are an extremely powerful way to rewire how your brain thinks thus changing how your feel and your external physical world Choose an affirmation that is right for you and practice it for 5 minutes in silence My favorite affirmation is I can be what I will do be 4 Visualizations 5 Minutes Visualizations are similar to meditating The difference In meditation you do your best to think about nothing except your breathing In visualization you envision yourself accomplishing your goals The goal here is to visualize yourself doing and living your affirmation 5 Scribing Journaling Part 2 15 30 Minutes Now that the mind is focused take the next 15 30 minutes to write freely This can be free writing about random things or structure writing it doesn t matter Sometimes it is simply helpful to empty out your thoughts on paper so that you have room during the day to learn and retain new things It can be a way of house cleaning 6 Reading 15 30 Minutes Reading is extremely important for all people It is a way we feed our brain what it needs to be happy It is known that some of the most famous and successful people in the world ie Bill Gates Warrant Buffet and more spend about 80% of their working days reading and learning new information However that might be overkill for most people just 15 30 minutes every day will make significant difference 7 Exercising 10 30 minutes Maybe this means going for a morning run before the sun wakes you or doing some yoga It doesn t have to be anything rigorous but some kind of activity is good Remember The Key to Success is consistency Stay consistent with your routine and observe the results Good Luck on your Miracle Journey *The Morning Routine Blueprint* Mike Fishbein,2015-11-02 Become More Productive With This Morning Ritual Do you struggle to get out of bed and get going Do you wish you were excited to get out of bed in the mornings What if you could miraculously wake up tomorrow and any or every area of your life was transformed How would life be different Would you be happier Healthier More successful Which of your problems would be solved What if I told you that there is a simple secret that is guaranteed to transform any or literally every area of your life faster than you ever believed What if I told you it would only take 9 minutes a day Enter The Morning Routine Blueprint What s now being practiced by thousands of people around the world could perhaps be the

simplest approach to creating the life you've always wanted In 2012 I didn't even know what a morning routine was I'd drink coffee as soon as I got out of bed check email early in the morning and I didn't think twice about it Then I realized something A big reason most people aren't successful is they fail to follow a daily routine Instead they start each day hoping they will have enough time to make progress on their goals I used to be a perfect example But after years of experimenting I realized what a difference having a morning routine makes See if you closely examined the world's most successful people you'd see they start each day in an energized state ready to accomplish any goal What's their secret Like brushing your teeth once you get in the habit of doing something it no longer becomes a task it's just something you do Successful people are able to focus on their tasks because they already have built habits into their morning And I want to help you do the same After reading *The Morning Routine Blueprint* you will know how to make getting out of bed easy and even fun Be able to start your day energized happy and in a good mood Learn how to optimize productivity creativity and more Know how to take control of email and not let it affect your time management and productivity Learn how to journal your way to a stress-free life Know how to complement your morning routine with the perfect night routine Are you tired of living a reactive kind of life rather than proactive life Do you want to determine how productive your day is Do you want to find energy and happiness in your day-to-day activities If you do then this is the perfect book to read Scroll to the top and click the buy now button and start seeing the results you deserve
