The Social Security (Flexible New Deal) Regulations 2009 (SI 2009 No. 480) Great Britain. Social Security Advisory Committee, Great Britain. Department for Work and Pensions, 2009 The Government referred proposals concerning the draft Social Security Flexible New Deal Regulations 2009 to the Social Security Advisory Committee SSAC on 1 October 2008 These regulations will implement the Government's proposals to introduce an enhanced regime for those claiming Jobseeker's Allowance JSA This will include implementing the Flexible New Deal FND as a new employment programme for those who claim the benefit for a year or after six months for those assessed as having greatest need of help to find work The Committee's report gives broad support to elements of the revised Jobseekers Regime and the Flexible New Deal but also expresses a number of concerns about the proposals and makes eight recommendations These fall under four broad headings the extension of conditionality the speed of the rollout of the full programme the contracting out of services and the changed economic situation The Government sets out its response to the Committee's concerns and has decided to proceed with the proposals as laid out in the Regulations originally referred to the Committee on 1 October 2008 A New Deal for Cancer Abbe R. Gluck, Charles S Fuchs, 2021-11-16 An unprecedented constellation of experts leading cancer doctors policymakers cutting edge researchers national advocates and more explore the legacy and the shortcomings from the fifty year war on cancer and look ahead to the future The longest war in the modern era longer than the Cold War has been the war on cancer Cancer is a complex evasive enemy and there was no quick victory in the fight against it But the battle has been a monumental test of medical and scientific research and fundraising acumen as well as a moral and ethical challenge to the entire system of medicine In A New Deal for Cancer some of today's leading thinkers activists and medical visionaries describe the many successes in the long war and the ways in which our deeper failings as a society have held us back from a more complete success Together they present an unrivaled and nearly complete map of the battlefield across dimensions of science government equity business the patient provider experience and more documenting our emerging understanding of cancer's many unique dimensions and offering bold new plans to enable the American health care system to deliver progress and hope to all patients Dealers and Dreamers: A New Look at the New Deal Joseph P. Lash, 2020-04-10 Pulitzer Prize winning biographer Joseph Lash's last work is an account of the men and women who helped Roosevelt pull the country out of the Great Depression When FDR took office in 1933 he set into motion the promise he made when he was first nominated the New Deal also called the Roosevelt Revolution charged the energies and imaginations of some of the most brilliant minds in the country Lash draws heavily on the private and unpublished papers of Thomas Corcoran and Benjamin Cohen the two most influential brain trusters of the time whose policies invigorated the nation and who independently and together were driven to promote the social and economic transformations of the thirties This new look at the New Deal as the book is subtitled is a history of New Deal legislation from the banking bill that recast the Federal Reserve System on through the

Public Utility Holding Company Act the Wagner Labor Relations Act the Social Security Bill and the creation of the alphabetocracy that as Mr Lash believes helped to shift control of the American economy from Wall Street to Washington a dual biography of two young New Deal lawyers Benjamin V Cohen and Thomas G Corcoran a roster of New Deal players Adolph A Berle William O Douglas Marriner Eccles Jerome Frank Leon Henderson Alger Hiss Harry Hopkins Harold Ickes Hugh S Johnson James Landis Max Lowenthal Isador Lubin Raymond Moley Frances Perkins Joseph Rauh Samuel I Rosenman and Rexford G Tugwell and Harvard Law professor and later Supreme Court Justice Felix Frankfurter the ideological struggle that went on between people like Tugwell who wanted to plan the economy and those like Frankfurter and Supreme Court Justice Louis D Brandeis who wanted to break up the trusts and restore freedom to the marketplace Dealers and Dreamers will be valuable to any reader with certain specific questions about the New Deal in mind Christopher Lehmann Haupt New York Times Dealers and Dreamers is a fascinating informative book indispensable for students of the Roosevelt presidency Arthur Schlesinger Jr The New York Review of Books The story of how our present day institutions were created Lash s excellent exploitation of the papers of both Cohen and Corcoran plus judicious use of interviews makes this a valuable work Warren F Kimball Los Angeles Times Joseph P Lash s last book is a fitting capstone to a noble career Dealers and Dreamers is a vivid evocation of an era and a fascinating portrait written with the skill of a master of some of the most wonderfully engaging figures of a glorious age in American history But more than that it is like all of Joe Lash s books and like Joe Lash s life itself a work of the most rare sincerity and integrity What shines forth from every page as it shines forth from Mr Lash s life is his unshakable determination to be truthful honest and scrupulously fair Joe has always been the standard of integrity to which I tried to hold fast and this book is a final triumphant example of the fact that he held that standard high to the last Robert Caro I found Dealers and Dreamers a veritable treasure trove of historical information about Roosevelt s Washington For that reason alone it is an important book Thomas Fleming Dealers and Dreamers not only reports the achievements and operations of the New Deal but also the spirit of the participants a spirit which I think was very much like that which must have existed among the persons who drafted the U S Constitution and put it in force in each case reflecting the excitement and satisfaction of participating in a successful revolution not against government but for government Eugene McCarthy By the Pulitzer Prize winning author of Eleanor and Franklin this is a fresh and admiring look at the original brain trusters Raymond Moley Rexford Tugwell Adolf Berle and others crucial to the legislated social transformation presided over by Franklin D Roosevelt during the Depression years Among the others Lash pays particular attention to are Thomas G Corcoran the unofficial whip of the New Deal and Benjamin V Cohen principal draftsman of several ground breaking bills sent to Congress The author describes Cohen as the intellectual coordinator of the New Deal and the keeper of its conscience Working from Corcoran and Cohen s private papers he sheds light on the significance of the Securities Exchange Act FDR s court packing attempt the 1936 presidential campaign the effect of the New Deal on black

Americans and other issues throughout the decade before Pearl Harbor Publishers Weekly Lash focuses on two talented technocrats Benjamin V Cohen and Thomas C Corcoran protégés of Felix Frankfurter then a professor at Harvard Law School Though neither had held high office both played important frequently pivotal roles in drafting and ensuring passage of vital New Deal measures like the Securities Exchange Act of 1934 Pragmatists as well as idealists Cohen and Corcoran viewed politics as the art of the possible With revolution a decided possibility they opted for trial and error reform as the best means to the end of preserving any vestige of a free enterprise constitutional system Kirkus Reviews Lash has written an absorbing narrative that captures the spirit of those yeasty times when a heady generation of young intellectuals was ready to roll up its sleeves to rescue America R Frank Saunders Jr The Georgia Historical Quarterly Dealers and Dreamers conveys an unmistakable sense that there was something special about the experience of the generation of lawyers who entered public service in the 1930s G Edward White Harvard Law Review

opportunities *DWP's Commissioning Strategy and the Flexible New Deal* Great Britain. Parliament. House of Commons. Work and Pensions Committee,2009 The design and delivery of employment programmes are critical to the success of welfare reform and fundamental to the Government's aspiration of an 80 per cent employment rate The new Flexible New Deal FND programme will be part of the revised JSA regime and will be delivered by large prime contractors who will work with subcontractors at a subregional level Prime contractors will be given longer contracts and have greater autonomy to design individualised support for customers who have been unemployed for more than 12 months The Committee welcomes the move towards longer contracts and endorses the principles of the FND programme and was impressed by the work that Jobcentre Plus staff are undertaking to prepare for the introduction of the new regime Yet there are significant concerns that fundamental flaws exist in the design of FND and the assumptions on which it is based The Department for Work and Pensions DWP accepts that on flows onto FND could be 300 per cent higher than first indicated with implications for resources at the providers and possible delays in implementing FND in some areas The Committee urges DWP to confirm that changes will be made to the budget to reflect the massive increase in predicted onflows to FND It might not be possible for providers to meet the targets on which contractor payments are principally based and the Committee received evidence to suggest that the financial model for FND is flawed and its targets unrealistic It is crucial that DWP and other departments ensure that collaborative working with City Strategies local authorities and other local Partners is facilitated at all levels if joint commissioning is to become a reality *The Deal* ,2008 **The New Caribbean Deal** Jean-Marie Burgaud,1986 Dictionary of National Biography ,1885 *Parliamentary Debates (Hansard)*.
