Animals In Our Lives:

Featured Creatures: Animals in Our Lives Lalita Gandbhir, 2023-01-29 Award winning author Lalita Gandbhir reflects on a lifetime with animals from the dog she grew up with in India who bit people for no reason to the menagerie of creatures from cats and dogs to a squirrel and a snake that her animal crazy husband and children brought into her household through the years She also offers keen observations on animals she s encountered in the natural world from elephants in Africa to eagles and moose in Alaska to the everyday creatures that have made their homes in and around her house and yard in Massachusetts In thoughtful and sometimes amusing essays she offers insight into a lifetime s worth of human animal interactions and how in some ways we humans and the animals we live among are not so different

Animals and the Human Imagination Aaron Gross, Anne Vallely, 2012-04-24 This interdisciplinary and cross cultural collection reflects the growth of animal studies as an independent field and the rise of animality as a critical lens through which to analyze society and culture on par with race and gender

Our Wild Calling Richard Louv, 2019-11-05 A book that offers hope The New York Times Book Review Richard Louv has done it again A remarkable book that will help everyone break away from their fixed gaze at the screens that dominate our lives and remember instead that we are animals in a world of animals Bill McKibben author of *Falter* Richard Louv s landmark book *Last Child in the Woods* inspired an international movement to connect children and nature Now Louv redefines the future of human animal coexistence *Our Wild Calling* explores these powerful and mysterious bonds and how they can transform our mental physical and spiritual lives serve as an antidote to the growing epidemic of human loneliness and help us tap into the empathy required to preserve life on Earth Louv interviews researchers theologians wildlife experts indigenous healers psychologists and others to show how people are communicating with animals in ancient and new ways how dogs can teach children ethical behavior how animal assisted therapy may yet transform the mental health field and what role the human animal relationship plays in our spiritual health He reports on wildlife relocation and on how the growing populations of wild species in urban areas are blurring the lines between domestic and wild animals *Our Wild Calling* makes the case for protecting promoting and creating a sustainable and shared habitat for all creatures not out of fear but out of love Transformative and inspiring this book points us toward what we all long for in the age of technology real connection
