The Aisles Have Eyes Joseph Turow, 2017-01-17 The author of Media Today offers a trenchant timely and troubling account of retailers data mining in store tracking and predictive analytics The Philadelphia Inquirer By one expert's prediction within twenty years half of Americans will have body implants that tell retailers how they feel about specific products as they browse their local stores The notion may be outlandish but it reflects executives drive to understand shoppers in the aisles with the same obsessive detail that they track us online In fact a hidden surveillance revolution is already taking place inside brick and mortar stores where Americans still do most of their buying Drawing on his interviews with retail executives analysis of trade publications and experiences at insider industry meetings advertising and digital studies expert Joseph Turow pulls back the curtain on these trends showing how a new hyper competitive generation of merchants including Macy's Target and Walmart is already using data mining in store tracking and predictive analytics to change the way we buy undermine our privacy and define our reputations Eye opening and timely Turow's book is essential reading to understand the future of shopping Turow shows shopping today to be an exercise in unwitting self revelation and not only online The Wall Street Journal Thoroughly researched and clearly presented with detailed evidence and fascinating peeks inside the retail industry Much of this information is startling and even chilling particularly when Turow shows how retail data tracking can enable discrimination and societal stratification Publishers Weekly Revealing Valuable reading for shoppers and retailers alike Kirkus Reviews

The Desperate Hours Marie Brenner, 2022-06-21 AWARD WINNING VANITY FAIR WRITER Marie Brenner shares a remarkable depiction of New York a city in crisis based on new behind the scenes reporting that captures the resilience peril and compassion of the early days of the Covid pandemic In the spring of 2020 COVID 19 arrived in New York City Before long America's largest metropolis was at war against a virus that mercilessly swept through its five boroughs It became apparent that if Covid wasn't somehow halted the death count in New York alone would be in the hundreds of thousands And if New York's hospitals failed what chance did the rest of the country have Brenner having been granted unprecedented 18 month access to the entire New York Presbyterian hospital system tells the story of the doctors nurses residents researchers and suppliers who tried to save lives across Manhattan Queens and Brooklyn and the northern periphery of the city Drawing on more than 200 interviews Brenner takes us inside secure ICU units sealed operating rooms locked executive suites

unknown basement workshops and makeshift clinics to provide extraordinary witness to the war as it was waged on the front line But *The Desperate Hours* is more than a thrilling account of medicine under extreme pressure It is an intimate portrait of courageous men and women coming together in their devotion to duty their families each other and the city they loved more than any other

Killinger,2021-03-23 No institution government or country is too big to fail A behind the scenes account of what led to the
2008 crisis and may soon lead to a bigger one Written by two bank executives with firsthand experience of several financial
crises Nothing is Too Big to Fail holds a stiff warning about the future of finance and social justice revealing how the US
government s fiscal and monetary policies are creating asset and debt bubbles that could burst at any time The COVID 19
pandemic is just one of many risks that could derail our highly leveraged and fragile economic system The authors also tell
how government actions and an unregulated shadow banking system are leading to inequitable distribution of wealth
destroying the middle class reducing trust in government and accelerating racial injustice No institution government or
country is too big to fail This book offers lessons learned from past crises and recommended actions for business and
government leaders to take today to return our economic system and our democracy to a safer trajectory Byte ,1988-10
