

The graphic features a dark background with several hands reaching towards books. At the top, a hand with dark skin rests on a closed book. To the right, two hands with light skin are shown in a gesture of surprise or excitement, with radiating lines around them. At the bottom right, a hand with dark skin holds an open book. Yellow starburst shapes are scattered around the scene. On the left, a yellow speech bubble contains the text 'goodreads CHOICE 2022 WINNERS'. In the center, the main title 'Announcing the Best Books of 2022' is written in white serif font.

Young Adult Resources Today Don Latham, Melissa Gross, 2014-05-21 Young Adult Resources Today Connecting Teens with Books Music Games Movies and More is the first comprehensive young adult library services textbook specifically written for today's multidimensional information landscape The authors integrate a research focused information behavior approach with a literature focused resources approach and bring together in one volume key issues related to research theory and practice in the provision of information services to young adults Currently no single book addresses both YA information behaviors and information resources in any detail instead books tend to focus on one and give only cursory attention to the other Key features of this revolutionary book include its success in Integrating theory research and practice Integrating implications for practice throughout the book Integrating knowledge of resources with professional practice as informed by research Integrating both print and electronic formats throughout within the resource chapters including websites and social media Latham and Gross accomplish all this while paying particular attention to the socially constructed nature of young adulthood diversity YA development and multiple literacies Their coverage of information landscapes covers literature with detailed coverage of both genres and subgenres movies magazines web sites social media and gaming The final chapter cover navigating information landscapes focusing on real and virtual YA spaces readers advisory programming and collaboration Special attention is paid to program planning and evaluation

Contemporary Collecting Kevin M. Moist, David Banash, 2013-05-09 While the importance of collections has been evident in the sciences and humanities for several centuries the social and cultural significance of collecting practices is now receiving serious attention as well As reflected in programs like Antiques Roadshow and American Pickers and websites such as eBay collecting has had a consistent and growing presence in popular culture In tandem with popular collecting institutions are responding to changes in the collecting environment as library catalogs go online and museums use new technologies to help generate attendance for their exhibits In Contemporary Collecting Objects Practices and the Fate of Things Kevin M Moist and David Banash have assembled several essays that examine collecting practices on both a personal and professional level These essays situate collectors and collections in a contemporary context and also show how our changing world finds new meaning in the legacy of older collections Arranged by such themes as Collecting in a Virtual World Changing Relationships with Things Collecting and Identity Personal and Political and Collecting Practices and Cultural Hierarchies these essays help illuminate the role of objects in our lives Covering a breadth of interdisciplinary perspectives and subjects from PEZ candy dispensers and trading cards to sports memorabilia and music Contemporary Collecting will be of interest to scholars of cultural studies anthropology popular culture studies sociology art history and more

Genreflecting Diana Tixier Herald, Samuel Stavole-Carter, 2019-05-24 Librarians who work with readers will find this well loved guide to be a treasure trove of information With descriptive annotations of thousands of genre titles mapped by genre and subgenre this is the

readers advisors go to reference Next to author genre is the characteristic that readers use most to select reading material and the most trustworthy consideration for finding books readers will enjoy With its detailed classification and pithy descriptions of titles this book gives users valuable insights into what makes genre fiction appeal to readers It is an invaluable aid for helping readers find books that they will enjoy reading Providing a handy roadmap to popular genre literature this guide helps librarians answer the perennial and often confounding question What can I read next Herald and Stavole Carter briefly describe thousands of popular fiction titles classifying them into standard genres such as science fiction fantasy romance historical fiction and mystery Within each genre titles are broken down into more specific subgenres and themes Detailed author title and subject indexes provide further access As in previous editions the focus of the guide is on recent releases and perennial reader favorites In addition to covering new titles this edition focuses more narrowly on the core genres and includes basic readers advisory principles and techniques

Vinyl Records and Analog Culture in the Digital Age Paul E. Winters, 2016-07-18 Vinyl Records and Analog Culture in the Digital Age Pressing Matters examines the resurgence of vinyl record technologies in the twenty first century and their place in the history of analog sound and the recording industry It seeks to answer the questions why has this supposedly outmoded format made a comeback in a digital culture into which it might appear to be unwelcome Why in an era of disembodied pleasures afforded to us in this age of cloud computing would listeners seek out this remnant of the late nineteenth century and bring it seemingly back from the grave Why do many listeners believe vinyl with its obvious drawbacks to be a superior format for conveying music to the relatively noiseless CD or digital file This book looks at the ways in which music technologies are both inflected by and inflect human interactions creating discourses practices disciplines and communities

Spending the Holidays with People I Want to Punch in the Throat Jen Mann, 2015-10-13 For fans of Laurie Notaro and Jenny Lawson comes an uproarious and oddly endearing essay collection for anyone trying to survive the holidays in one piece When it comes to time honored holiday traditions Jen Mann pulls no punches In this hilariously irreverent collection of essays Jen Mann nationally bestselling author of *People I Want to Punch in the Throat* turns her mordant wit on the holidays On Mann's naughty list mothers who go way overboard with their Elf on the Shelf overzealous carolers who can't take a hint and people who write their Christmas cards in the third person Joyce is enjoying Bunko Yeah Joyce we know you wrote this letter And on her nice list well she's working on that one Here no celebration is off limits The essays include You Can Keep Your Cookies I'm Just Here for the Booze Nice Halloween Costume Was Skank Sold Out Why You Won't Be Invited to Our Chinese New Year Party From hosting an ill fated Chinese New Year party to receiving horrible gifts from her husband on Mother's Day to reluctantly telling her son the truth about the Easter Bunny Mann knows the challenge of navigating the holidays while keeping her sanity intact And even if she can't get out of attending another Christmas cookie exchange at least she can try again next year Praise for *Spending the Holidays with People I Want to Punch in the Throat* Mann's writing has transcended from witty anecdotes and complaints to

notable satire Hidden among the many laugh out loud zingers are lessons on how we relate to each other and how ridiculous parenting culture has become Associated Press Following the success of her first book she is now punching throats at holidays starting from her being age two and continuing to the present where she is a harried mother bemoaning not just Christmas but all holidays Harried holiday haters will chuckle and perhaps see themselves somewhere in Mann s lifetime dislike of and misbehavior during America s increasingly commercialized celebrations Booklist The cure for my cold holiday spirit this year is the sidesplitting new book by Jen Mann Mann delivers her signature punch lines and sharp critique on the oftentimes ridiculous shenanigans of the modern family Her ability to make an otherwise boring subject come alive with colorful personalities biting sarcasm and impressively astute observations on suburban culture is what makes Mann so much fun to read and so easy to relate to The Huffington Post A lighthearted laugh out loud book with a feel of peeking into a diary Mommy s Memorandum It really does make you laugh out loud Shooting Stars Mag A quick and delightful read that you can sneak in right before bed or when the kids are finally napping FangirlNation Grab a cup of hot cocoa sit back and enjoy Jen s latest collection of humorous rants dissecting the most wonderful time of the year She unleashes her biting wit and hilarious opinions on everything from cookie exchanges to annual humblebrag Christmas letters from overachieving moms to horrifying Christmases of her childhood Creating Serenity Mann has really mastered the short story format She packs the maximum amount of funny into the fewest words and many of these essays are downright hilarious If you ve read and liked her other books you will definitely want to read this one too Bug Bug Book Reviews *Special Collections 2.0* Beth M.
