Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two. Since Jax walked away, I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground, but this time I knew the rules of the game. In the cutthroat business world, one adage rules: all keep your enemies close and your ex-lovers closer. *Flower Crowns & Fearsome Things* Amanda Lovelace, 2021-10-05 Within these pages, you will find that each of us has the ability to be both soft and fierce at the same time. There is no need to choose one or the other. *All the Dangerous Things* Stacy Willingham, 2023-01-10 Following up her instant New York Times bestseller *A Flicker in the Dark*, Stacy Willingham delivers a totally gripping thriller about a desperate mother with a troubled past. In *All the Dangerous Things*, one year ago Isabelle Drake's life changed forever. Her toddler son, Mason, was taken out of his crib in the middle of the night while she and her husband were asleep in the next room. With little evidence and few leads for the police to chase, the case quickly went cold. However, Isabelle cannot rest until Mason is returned to her. Literally. Except for the occasional catnap or small blackout where she loses track of time, she hasn't slept in a year. Isabelle's entire existence now revolves around finding him, but she knows she can't go on this way forever. In hopes of jarring loose a new witness or buried clue, she agrees to be interviewed by a true crime podcaster, but his interest in Isabelle's past makes her nervous. His incessant questioning, paired with her severe insomnia, has brought up uncomfortable memories from her own childhood, making Isabelle start to doubt her recollection of the night of Mason's disappearance, as well as second-guess who she can trust, including herself. But she is determined to figure out the truth, no matter where it leads. **Slow Dance** Rainbow Rowell, 2024-08 Everybody thought Shiloh and Cary would end up together, everybody but Shiloh and Cary. *Slow Dance* follows these star-crossed best friends from their inseparable teen years on the wrong side of the tracks to their far-flung adulthoods through her marriage and motherhood and his time in the Navy, as they try to work out what they're actually supposed to be to each other. Told with Rowell's trademark sensitivity and abundant wit, *Slow Dance* is a big, beaming power ballad of a novel about a love so true it refuses to be forgotten. **Reflected in You** Sylvia Day, 2012-10-02 The sensual saga of Eva and Gideon continues in the second novel in the #1 New York Times bestselling

Crossfire series Gideon Cross As beautiful and flawless on the outside as he was damaged and tormented on the inside He was a bright scorching flame that singed me with the darkest of pleasures I couldn't stay away I didn't want to He was my addiction my every desire mine My past was as violent as his and I was just as broken We'd never work It was too hard too painful except when it was perfect Those moments when the driving hunger and desperate love were the most exquisite insanity We were bound by our need And our passion would take us beyond our limits to the sweetest sharpest edge of obsession
