History of the European Association for Haematopathology Karl Lennert,2006-10-11 Because of progress in immunology specifically the discovery of the B and T lymphocyte systems it was imperative to rethink the concepts of malignant lymphomas which resulted in the development of new lymphoma classifications One of these was the Kiel classification proposed by the European Lymphoma Club in 1974 During the following years the classification was refined correlated with clinical findings discussed at length and put to the test against other classifications It was soon widely accepted in Europe and later sparked the founding of the European Association for Haematopathology in Geneva Switzerland in 1988 In 2001 the Kiel classification was incorporated into the new WHO classification

Willie Willie O'Ree,Michael McKinley,2020-10-20 An inspiring memoir that shows that anyone can achieve their dreams if they are willing to fight for them In 1958 Willie O Ree was a lot like any other player toiling in the minors He was good Good enough to have been signed by the Boston Bruins Just not quite good enough to play in the NHL Until January 18 of that year O Ree was finally called up and when he stepped out onto the ice against the Montreal Canadiens not only did he fulfil the childhood dream he shared with so many other Canadian kids he did something that had never been done before He broke hockey s colour barrier Just as his hero Jackie Robinson had done for baseball In that pioneering first NHL game O Ree proved that no one could stop him from being a hockey player But he soon learned that he could never be just a hockey player He would always be a black player with all that entails There were ugly name calling and stick swinging incidents and nights when the Bruins had to be escorted to their bus by the police But O Ree never backed down When he retired in 1979 he had played hundreds of games as a pro and scored hundreds of goals his boyhood dreams more than accomplished In 2018 O Ree was inducted into the Hockey Hall of Fame in recognition not only of that legacy but of the way he has built on it in the decades since He has been for twenty years now an NHL Executive and has helped the NHL Diversity program expose more than 40 000 boys and girls of diverse backgrounds to unique hockey experiences Inspiring frank and shot through with the kind of understated courage and decency required to change the world Willie is a story for anyone willing to persevere for a dream
