Walking for Fitness Lon H. Seiger,James L. Hesson,1990 Walking for Fitness the first college level walking text is an appealing value priced book basic to beginners that emphasizes safety and personal fitness **The Complete Guide to Walking for Health, Weight Loss, and Fitness** Mark Fenton,2007 *Water Dance* Juliana Larson,1999-03 This book is a refreshment to the Chicken Soup for the Soul series and Chocolate for A Woman's Soul by going beyond mind and spirit nurturing to the wonderful experience of nurturing in water As an aquatics fitness instructor and therapist for over twenty years Juliana Larson has observed water's unmistakable power to foster bonds between women Perhaps because water has been an archetypal female symbol for thousands of years women find great nurturing potential in a shared aquatic environment Water is a gentle healer and can consequently provide significant mental spiritual and physical benefits as one

moves one's body within it. As Larson demonstrates through this collection of true stories, a pool of water can improve one's well-being, body image, and overall fitness while working to provoke positive life change. Water Dance opens all women, young and old, to entirely new ways of nurturing themselves and one another, improving their lives in the process.

Mistletoe, Merriment, and Murder Sara Rosett, 2011-10-24 A terrific mystery with believable characters and lots of heart, perfect for bringing peace and joy to the holiday season. Denise Swanson, *New York Times* bestselling author. Super organizer Ellie Avery could really use some Christmas cheer when Gabrielle Matheson, a grinchy professional rival, sets up shop in the same small Georgia town. But before the halls are even halfway decked with holly, someone uses Ellie's terrifically tasteless white elephant swap gift as a murder weapon. Ellie's now a suspect. Besides playing Mrs. Santa for her Air Force pilot husband and their two kids, shielding her eyes from the garishly over-decorated house down the street and helping a client who's a hardcore hoarder, Ellie also has to solve this ho-ho homicide and find a killer who wishes her a very deadly Christmas. Don't miss Ellie Avery's great tips for a relaxed and stress-free holiday season. Sara Rosett once again presents readers with intriguing characters, a strong setting, more than a dash of humor, and a suspenseful plot that ably keeps us guessing until the end. No mean achievement. Yet what places her sleuth, Air Force wife Ellie Avery, at the top of my list are the poignant descriptions of what military families face every day, bringing an essential reminder of their sacrifices to us all, especially at this time of year. Katherine Hall Page, *Agatha Award* winning author. Praise for the Ellie Avery Mystery series. An appealing young heroine. Carolyn Hart, *New York Times* bestselling author. Crackles with intrigue, keeps you turning pages. Alesia Holliday, *New York Times* bestselling author. Mystery with a mommy lit flavor. A fun read. *Armchair Interviews*
