teenagers particularly enjoy Writers such as V C Andrews Dean Koontz John Saul Anne Rice Chelsea Quinn Yarbro Robert Bloch Robert MacCammon and of course Stephen King are examined in depth Each chapter includes an introduction that touches on historical antecedents a chronology of biographical highlights and major works for the subject author and a long quote that allows the writer s individual voice to shed light on his or her literary philosophy Dr Kies analyzes theme plot and character for the major works with perception and skill Separate chapters explore the appeal of satanism for young adults in novels such as *The Exorcist* and *Rosemary s Baby* and there is an irreverent look at a recent development in horror writing splatterpunk Presenting Young Adult Horror Fiction is a welcome addition for all those interested in horror literature and will also provide much needed information for librarians teachers and parents who want to understand why young adults love horror literature
