David Icke Back Door:

The Illuminati Phalanx Adam Weishaupt,2013-02-08 What is the social unit by which the Power Elite enforce their policy of divide and rule to ensure that the people never rise up and overthrow them What is the mechanism for the transmission of harmful irrational and dangerous religious beliefs The answer is the same in every case THE FAMILY The family is the ultimate sacred cow Yet what is the archetypal nuclear family other than two mediocre parents and a spoiled consumerist pair of children How can this express humanity s yearning to reach for the stars to create a bridge to heaven and form a Community of Gods This book by the Pythagorean Illuminati explores the ideas of the radical 19th century French thinkers Henri de Saint Simon and Charles Fourier Did these utopian visionaries advocates of a much more communitarian approach to life offer the solution to humanity s ills Should Fourier s concept of the phalanx the perfect community be the new basis of society

The Enlightenment Quest and the Art of Happiness John Maxwell Taylor,2015-03-24 Award winning actor and playwright John Maxwell Taylor builds on the success of his previous book *The Power of I Am* in this eloquent call to awaken from our collective trance and to claim the transformative power and happiness that is our birthright Drawing on his forty years experience in spiritual self transformation Taylor offers a potent array of practical tools stories and life lessons that help us reorder the events in our lives the way people respond to us and the impact we have on the world *The Enlightenment Quest and the Art of Happiness* shows us how to master ourselves so that we can harness the energy of higher power to surmount the chaos of the modern world and provides strategies for sociological aikido that allow us to deal effectively with negative people narcissists and egotists Informed by Taylor s incredibly varied background from European pop star to student of Paramahansa Yogananda Gurdjieff and Mantak Chia to resident at the pioneering Findhorn Community to playing Carl Jung on stage for many years this book demonstrates how by understanding the powers active in creation we can become instruments through which higher power continually flows to advance our evolution toward consciousness In doing so we not only transform ourselves we become powerful agents for changing the world Readers learn how to Deal with negative people and egotists Use higher power to redirect the world around one to one s own advantage Stay sane in an insane world by understanding true spiritual psychology See the world as it is instead of spiritually daydreaming that things are going to get better Move beyond conspiracy theories and conspire instead to create a united world of consciousness Gain fresh insights into the work of Campbell Jung Paramahansa Yogananda Gurdjieff and others Apply the Findhorn principles of miraculous manifestation as practiced by the author since 1973

Confessions of an Illuminati, VOLUME II Leo Lyon Zagami,2017-11-11 After his master thesis of the secret societies network as outlined in Volume I the Confessions of an Illuminati narrative of Leo Lyon Zagami is projected to the reality of today including the occult maneuvers behind the New World Order We need to wake up beyond our current belief systems because the controllers of the New World Order are moving fast using the Prophecies to their advantage to implement their evil plan by 2020 when World War III will finally

break loose The author demonstrates that the hierarchy of power emanating from Rome and Jerusalem with the Jesuits and the Zionists united by a secret pact since the Second Vatican Council are in cahoots working towards the creation of a world government There is also China playing a new role in the NWO with the far reaching tentacles of Chinese Freemasonry manipulating economic Hit Men and disinformation artists while Russia is building their Christian orthodox alliance to apparently oppose the Western antichrist In this unprecedented scenario we also have the involvement of the big media moguls like Ted Turner and Silvio Berlusconi and their role in manipulating perceptions The author discusses further aspects of the Satanic infiltration of Freemasonry pointing out on the generational aspect the many ways of defending yourself psychically against black magicians but also against the many sects operating in the Illuminati Network

The New Heretics Andy Thomas,2021-12-14 This is the most balanced and well reasoned investigation available into why people believe today's highly divisive conspiracy theories from COVID and QAnon to 5G scares fake news and more Through their part in some huge controversies conspiracy theorists are being branded the Number One Enemies of our times the new heretics They are seen to threaten the very fabric of modern society spreading doubts and fears that result in Washington Capitol invasions transmission mast burnings or the spread of anti vaxx material Yet the theorists prefer to call themselves truth seekers and see the mainstream establishment as the real disruptor treating its increasingly harsh censorship as direct validation of their views In truth the new heretics whose numbers are swelling are symptoms of a wider polarization splitting apart much of the world in ideological divisions Many have lost trust in politicians and the media while nuanced debate is crushed and information overload and manipulation breeds uncertainty civil unrest and mental health issues How does the age old strategy of divide and rule play out in such an environment Using his extensive experience of negotiating disputes between cynics and truth seekers Andy Thomas explores the proliferation of conspiracy thinking peeling back unhelpful layers of biased thinking on all sides to find more insightful ways to bridge the polarised divides and create a better way forward

I Saw a Ghost- Ben Noakes,1987 *Conspiracy Theory* Jane Haddam,2007-04-01 In the tradition of P D James Jane Haddam's novels combine compelling story lines with a keen eyed complex sense of the character's psychology and sharp evocative sense of place Over the years her novels featuring retired F B I agent Gregor Demarkian have won her the respect of the critics and an ever increasing number of devoted readers Now with *Conspiracy Theory* all of Haddam's ample of gifts are on display in a chilling novel of class conspiracy and murder Cavanaugh Street is a mostly quiet Armenian neighborhood in downtown Philadelphia where nearly everyone knows everyone else and certainly knows their business But that quiet is destroyed when the Armenian Orthodox church is destroyed by bombing and its cleric Father Tibor Kasparian is hospitalized as a result What would normally be a front page event however is overshadowed by another event across town when Philadelphia Main Line society is shocked by the murder of one of their own Anthony van Wyck Ross the head of one of the major investment banks and a cornerstone of Main Line society is murdered at the Around the World Harvest Ball being

hosted at his mansion Gregor Demarkian former head of FBI s Behavioral Sciences Unit and longtime resident of Cavanaugh Street is soon enmeshed in both cases With the Ross murder there is the never seen conspiracy theorist Michael Harridan who in his literature has claimed that Ross was a member of the dangerous secret ruling elite The Illuminati With the church bombing there were the anonymous threatening letters received by Father Tibor just prior to the bombing Together if indeed they are in some inexplicable way related they are the most challenging cases Demarkian has ever faced [The Biggest Secret](#) David Icke,1999 Every man woman and child on the planet is affected by the stunning information that Icke exposes Destined to be a global blockbuster **Brainjob** David Sloma,2014-03-01 Pursued across the post apocalyptic landscape by a ruthless bounty hunter for a biotech corporation a simple worker who was given a brainjob his brain transferred into a clone becomes an unwitting test subject in the race to create a nanobot serum that gives eternal life for those who can afford it An epic length over 125 000 words sci fi thriller adventure About 344 pages in the print version Brilliant reader review
