Customer service on life support The Customer Service Inspector , 2025-10-03 Customer service isn't dead but it's on life support Once businesses treated service as the foundation of loyalty and trust Employees were empowered complaints were valued and customers felt heard Today Long queues faceless bots hidden complaint processes and leaders who mistake excuses for solutions In this sharp no nonsense book The Customer Service Inspector reveals how standards collapsed after the pandemic and why consumers have been conditioned to accept less Drawing on decades of experience in loyalty and retention they expose the cost of bad service for customers employees and companies alike But this isn't just a diagnosis It's a rallying cry With common sense empowerment and a return to the simple rule of treating people how we want to be treated service can recover The question isn't can we demand better It's whether we will If you've ever waited on hold fought a bot or swallowed your frustration in silence this book is for you
