At-Home Seminary Rich O'Brien, 2025-07-15 My goal upon entering Moody s MABS program was then as it is now to know God better and to love Him more Before completing the program I began praying to know what God had in mind for me next While praying I realized that some if not much of the biblical knowledge I had recently gained would likely slip from my mind if I did not take steps to prevent that I was then led to compile my written assignments into a well organized anthology As I prayerfully worked on that project I realized that the finished product could well serve as a Christian discipleship or small group study That led me to prayerfully consider making the project available to everyone Now along with WestBow Press I am blessed to invite you to embark on a journey through your own At Home Seminary

literature [The Secret Life of Angels](#) Ron Rhodes,2014-10-01 You've probably seen depictions of angels in popular TV shows and movies and you may have read about angel encounters. Curiously, however, these accounts often have little in common with the Bible's portrayal of angels. How can you tell what is real and what isn't? How can you separate fact from fiction? With this fascinating and inspirational guide, you'll journey through God's Word and discover who angels are, what they are like, and how they are involved in your life today. You'll also find solid biblical answers to such questions as: Where did angels come from? Are all angels good? Should we communicate with angels? Angels are active all around you, and that you can be certain. As you learn the truth about their secretive role in the world, you'll be encouraged to see the ways angels are indeed available to help us.

Angels Among Us Ron Rhodes,2008-01-01 With stories of angelic encounters all around us, Reasoning from the Scriptures Ministries president Ron Rhodes delves into the biblical truth about these heavenly beings. Some current reports are so utterly remarkable they have captured widespread attention. Curiously, however, many of these seemingly celestial visitors have little in common with the angels of the Bible. Angels are very much involved in our lives today, and that we can be certain. But when it comes to angels, how can we tell what is real and what isn't? **Angels Among Us** provides solid biblically based answers to pressing questions through a fascinating and highly inspirational tour of God's Word. Readers will discover who angels are, what they are like, what they do, and most exciting of all, the ministry they have today. This book has sold nearly 150,000 copies and now boasts an updated cover to bring its balanced message to new readers.

[Revisiting Jesus Christ's Continuing Humanity](#) Patrick Nasongo Ph.D.,2022-09-12 Most readers are familiar with Jesus, deity and His humanity while He was here on the earth, but they seldom consider the fact of His continuing humanity. Dr. Nasongo investigates the insufficient treatment of this subject from the time of the Apostolic Fathers to the present, and then he presents the biblical evidence for Christ's continuing humanity. In the process, he demonstrates its relationship to apologetics, hermeneutics, and systematic theology, with a special emphasis on eschatology.
