F. Nilsen,2007-07-05 This book shows how authors of young adult literature use the creation of names for people places events inventions animals and imaginary concepts as one of their most important literary techniques Chapters address how authors use names to stretch readers emotions to reveal ethnic values and differences to create other worlds and to establish tone Other chapters focus on

how authors use names to help readers remember who is who such as J K Rowling in the Harry Potter books or to communicate separate messages to adults and to young readers as exemplified by Richard Handler in the Lemony Snicket books Names and Naming in Young Adult Literature equips readers with the interest and the skill to make similar observations about names and naming when they read other books Looking at the names an author has chosen to use is a wonderful first step in introducing readers to the concept of literary criticism as something to help readers get more pleasure and information from their reading Public and school librarians college instructors of young adult literature teachers of creative writing high school English teachers and anyone else who is interested in young adult literature will find this book extremely interesting Merck's Bulletin of Advanced Medicine and Surgery ,1898 **Death March to the Parallel World Rhapsody, Vol. 11 (light novel)** Hiro Ainana,2020-05-26 No good deed goes unpunished Though Satou s stay in Labyrinth City got off to a rocky start he s determined to put Celivera on the road to redemption Acts of charity such as founding an orphanage and putting the Plunderer King behind bars are no big deal for him But despite his best efforts mysterious drugs continue to circulate Incidentally the noble in green Sir Poputema has been acting rather suspicious lately Could he be linked to the spike in demonic activity
