Customer Service for Hospitality and Tourism Simon Hudson,Louise Hudson,2012-11-02 Customer service is of critical importance for the tourism and hospitality sector now more than ever before as customers are looking to increase value for money and are less forgiving of mediocre service However despite its importance quality customer service is the exception rather than the norm in many parts of the world Customer Service for Hospitality and Tourism is a unique text and vital to both students and practitioners as it explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice In essence it is the whys and hows of customer service It is easy to read very current and full of references to all the latest research from both academic and practitioner literature Chapters cover important topics such as the financial and behavioural consequences of customer service consumer trends influencing service developing and maintaining a service culture managing service encounters the importance of market research building and maintaining customer relationships providing customer service through the servicescape the impact of technology on customer service the importance of service recovery and promoting customer service internally and externally Key features include An At Your Service Spotlight at the beginning of each chapter focuses on the achievements of successful individuals related to the art of customer service Each chapter contains a Service Snapshot short real life cases to illustrate a particular concept or theoretical principle presented in the chapter Detailed international Case Studies which cover a variety of sectors organizations and regions designed to foster critical thinking the cases illustrate actual business scenarios that stress several concepts found in the chapter They analyze customer service in the U S South America South Africa Europe Russia Australia China Canada Korea and Dubai

Programs and Services National Library of Medicine (U.S.),2012 *National Library of Medicine Programs and Services* National Library of Medicine (U.S.), Management Information Systems R. Kelly Rainer,Brad Prince,Hugh J.

Watson,2016-11-16 The 4th Edition of Management Information Systems promotes active learning like no other text in the market Each chapter is comprised of tightly coupled concepts and section level student activities that transport your students from passively learning about IS to doing IS in a realistic context Entrepreneurial Leadership Angelo

Mastrangelo,2015-11-12 Real life examples from the author s experience illuminate a step by step plan that can help entrepreneurial leaders achieve their goals Entrepreneurial leaders are in need of a practical compass and this book gives them just that Combining principles of leadership and entrepreneurship the guide covers basic concepts and pertinent issues for leaders at all levels and does so in a manner that is at once lively relevant and entertaining Drawing on the best thinking from both business and academia the book irrefutably demonstrates the connection between skilled leadership and organizational effectiveness and performance Readers are provided with two easy to follow models that are applicable to all types of organizations The Opportunity Model Part I shows exactly how to identify business generating opportunities while the Enduring Leadership Model Part II outlines the author s unique leadership principles what he calls Personal and Professional Leadership Used together these two models give today s entrepreneurial leaders the real life tools they need to succeed To illustrate what works and what doesn t the author takes readers inside the highly volatile beverage industry and shares his greatest successes and failures running Adirondack Beverages a company that still thrives today based on principles instilled more than 20 years ago **Global Business Today** Charles W. L. Hill,2021 As part of the overall revision process changes have been made to every chapter in the book All statistics have been updated to incorporate the most recently available data Important current events have been incorporated into the text and discussed at length
