The Business of Sports Scott Rosner, Kenneth Shropshire, 2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders. It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas. The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics, and law. Each chapter features concise introductions, a broad range of focused readings, and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics.

Sports Business Management George Foster, Norm O'Reilly, Antonio Dávila, 2026-02-25 This new edition of a popular and accessible textbook equips students with a comprehensive understanding of the sport industry. With a focus on management, strategy, marketing, and finance, the decision-making approach of the book emphasizes key concepts while translating them into practice. Content specific to each of the vital stakeholders in the sport business is included. Foster, O'Reilly, and Dávila present a set of modular chapters supported with international examples. The book includes content about sport organizations such as the Olympic Games, FIFA World Cup, the European Premier Leagues, and Major North American Professional Sport Leagues. This is an ideal textbook for upper-level undergraduate and postgraduate students of sports business and management.
