Dear Ms. Johnson,

I am writing to express my interest in the summer internship program with your marketing company. I learned about your company through the student center at my university and, after visiting your website, I have immersed myself in your groundbreaking work in the transportation industry.

Currently majoring in marketing, with a minor in statistics, and will receive my degree next spring. While I have a comprehensive marketing and analytics background, my emphasis is on government campaigns. I feel that your agency places prominence in similar areas and having the privilege of serving as an intern with you will increase my learning opportunities and give me the exposure I need to advance my career while using what I've already learned to make an impact on your clients.

After graduation, I hope to work for an agency like yours to grow my experience, serve clients and eventually start my own agency. With the right opportunities and experience working with prominent clients, I believe that I can achieve my goal.

Previously, I held an internship at another local advertising agency, working on critical projects for their clients. During that internship, I had the opportunity to learn the Adobe Creative Suite of products, including Photoshop and InDesign. I also learned how to craft compelling campaigns that garner attention in the healthcare space. I believe that my knowledge of digital marketing and social media could be of interest to you, as I read that you are looking to grow your social media team.

I would like the opportunity to meet with you and discuss the internship opportunities you have available. Please let me know if you have any questions or would like to see specific work samples. You can reach me by phone at 416-821-9876 or by email at martin@novoresume.com.

Thank you for your consideration.

Sincerely,
Martin Lane
