Farnsworth, S. Robert Lichter, 2019-11-15 Political humor has been a staple of late night television for decades The Trump White House however has received significantly greater attention than that of past presidents such as Barack Obama George W Bush and even Bill Clinton In response to Trump s strident politics late night comics including Stephen Colbert Jimmy Kimmel Trevor Noah and Jimmy Fallon have sounded key policy notes further blurring the boundary between news and satire Weekly humorists including John Oliver and Samantha Bee extend the critique with in depth probing of key issues while Saturday Night Live continues to tap the progression from outrage to outrageousness Using unique content analysis techniques and qualitative discussions of political humor Farnsworth and Lichter show how late night political humor and these seven programs in particular have responded to the Trump presidency Employing a dataset of more than 100 000 late night jokes going back decades these noted media scholars discuss how the treatment of Trump differs from previous presidents and how the Trump era is likely to shape the future of political humor The authors also employ public opinion survey data to consider the growing role these late night programs play in framing public opinion and priorities This book will interest scholars the curious public and students of politics communications and the media and contemporary American culture [The Russian-Ukrainian War, 2023](#) John S Harrel, 2025-01-30 Details the second year of Russia s invasion of Ukraine focusing on drone warfare strategic battles and global impacts This book describes in great detail the second year of Putin s Special Operation to obliterate Ukraine General Ret Harrel s previous book entitled The Russian Invasion of Ukraine

February December 2022 described the initial invasion identifying the units and weapons on the battlefield with military precision Now he continues the story of Ukrainian resistance in the face of overwhelming odds The author knowledgeably reports on twenty first century mechanized warfare and how drones and unmanned aerial vehicles UAVs have evolved to dominate the tactical operational and strategic levels of war The year 2023 saw the dawn of drone warfare as combatants on both sides of the conflict at first tinkered with the use of civilian hobby type machines but then having had great success rushed forward to design purchase often with crowd funding and deploy drones through all domains of the battlefield Drones performed reconnaissance targeting for artillery and direct attacks seeking identifying and striking targets not only on the battlefield but in the Black Sea and deep inside Mother Russia As the fighting raged Russia successfully continued its worldwide cyber campaign to influence elections divide allies and undercut support for Ukraine The Pyrrhic Russian victories at Bakhmut and Avdiivka were offset by Ukrainian victories in the Black Sea after its failed counteroffensive in the Summer of 2023 Finland and Sweden joined NATO while US support was stymied and delayed by internal politics NATO clearly assumed its place as the bastion of Western freedom as the war continued into 2024 **Respawn** Colin Milburn,2018-12-14 Colin Milburn examines the relationships between video games hackers and science fiction showing how games provide models of social and political engagement critique and resistance while offering a vital space for players and hacktivists to challenge centralized power and experiment with alternative futures **Mass Communication** Ralph E. Hanson,2018-11-15 Transform your students into smart savvy media consumers A book that students find fun to read and instructors consider educationally valuable Mass Communication Living in a Media World provides the media literacy principles and critical thinking skills that students need to become self aware media consumers Known for his storytelling approach bestselling author Ralph E Hanson uses examples drawn from everyday life to explain the many dimensions of mass media that operate in our society This newly revised Seventh Edition is packed with contemporary examples and compelling stories that illustrate the latest developments and recent events that are changing the face of media today Queering the Church Penelope Cowell Doe,2024-05-31 Church dialogues including official reports and debates within the General Synod operate under the premise that canonical authority can shape a viable theology and coherent ecclesiastical and liturgical practices In a groundbreaking departure from conventional methodologies Queering the Church offers a rigorous examination of the hermeneutical frameworks that inform discussions on homosexuality within ecclesiastical governance Drawing inspiration from Halberstam s concept of the queer art of failure Doe advocates for a fundamental shift a move away from entrenched institutionalized debates toward a more inclusive deconstructive discourse Rather than perpetuating cycles of authoritative rhetoric Doe proposes a transformative realignment one that challenges traditional power dynamics and fosters a more equitable theological dialogue Provocative and timely this book promises to illuminate new avenues toward a nuanced comprehension of church discourse *Macworld* ,2007-07 *Library + Information Update* ,2007 *Kosovar*

Foreign Fighters: From Ideology to Radicalization and Back to Human Rights Violations Rozana Baci, 2017-02-22 Diploma Thesis from the year 2016 in the subject Politics Topic Public International Law and Human Rights grade 8 University of Sarajevo ERMA language English abstract The Independence was followed by a new shift in Albanian Kosovar s ideology Once the national agenda had been achieved the created sociopolitical gap was rapidly filled with a new religious ideology Kosovar foreign fighters became a hot topic in fighting back the radicalization in Kosovo Many citizens were arrested and brought before the Courts on suspicions related to terrorism These prosecutions in fighting back foreign fighters brought distortions and violations of the foreign fighters human rights The cases analyzed in this study do speak about the violation of the presumption of innocence the right to a fair and other procedural rights violations The overall situation on the issue of fighting back the Kosovar foreign fighters and extremist radicalization within Kosovo speaks of a lack of competencies by the Kosovar authorities No matter what an individual is accused of the presumption of innocence and the right to a fair trial should always prevail It is up to the Kosovar authorities in the first place to show the good practice that such fundamental principles and rights are not only envisaged but embedded in daily proceedings
