**John Webster**

## **Art Is The Devil:**

*The Devil Is in the Details an Illustration Collection of Fiendish Art of Satan Through the Ages* E. Vernor, 2016-01-11 The devil hasn't always been depicted in art as we know him today. From the Middle Ages through to the Renaissance and into modern times, Satan has had many different incarnations in art. Scholars say that no artistic representation of Satan was produced before the sixth century and was only made official by the Ecumenical Council of 553. From then on, however, and throughout the Middle Ages, Satan's imagery was everywhere in manuscripts, in paintings, sculptures, and architecture. As Christianity grew and spread, so did belief in the Devil, who was blamed for illness, accidents, immoral behavior, crop failures, and natural disasters. He was also said to be the leader of heretics, enemies of the Church. This beautifully illustrated book by E. R. Vernor details the history of artwork of the Devil with over two hundred woodcuts, drawings, and paintings and postcards from the earliest days of printing to the 1900s.

*Art of the Devil* Arturo Graf, 2012-05-08 The Devil holds the strings which move us. Charles Baudelaire *The Flowers of Evil* 1857 Satan, Beelzebub, Lucifer, the Devil has many names and faces, all of which have always served artists as a source of inspiration. Often commissioned by religious leaders as images of fear or veneration, depending on the society, representations of the underworld served to instruct believers and lead them along the path of righteousness. For other artists, such as Hieronymus Bosch, they provided a means of denouncing the moral decrepitude of one's contemporaries. In the same way, literature dealing with the Devil has long offered inspiration to artists wishing to exorcise evil through images, especially the works of Dante and Goethe. In the 19th century, romanticism, attracted by the mysterious and expressive potential of the theme, continued to glorify the malevolent Auguste Rodin's *The Gates of Hell*, the monumental, tormented work of a lifetime, perfectly illustrating this passion for evil but also revealing the reason for this fascination. Indeed, what could be more captivating for a man than to test his mastery by evoking the beauty of the ugly and the diabolic.
