pastors seem to be burning out under the load. Congregations may not be aware of the many and conflicting demands placed on a pastor's time and energies nor the pastor's need for rest and personal support. *Their Work Will Be a Joy* was written to encourage mutual understanding between pastors and congregations about the stresses of ministry. The authors present five principles that will help ministry remain more of a joy than a burden. Every chapter contains practical recommendations targeted specifically for pastors, congregational leaders, and even seminarians preparing for ministry. A dozen personal responses to the book, written as letters from people in ministry, have been collected together at the end. The book is helpful as a ministry preparation text, a guide for those serving as pastors, or as a discussion starter for pastors' support groups. It will help church committees smooth a pastoral transition or calm seminary graduates anticipating their first placement. The hope is that stressed-out pastors will recover their sense of vocation and congregations will begin to fulfill their calling as the body of Christ.

Today's teachers face a daunting challenge: how to ensure a positive school experience for their students, many of whom carry the burden of adverse childhood experiences such as abuse, poverty, divorce, abandonment, and numerous other serious social issues. Confessions of a Reformission Rev. Mark Driscoll, 2009-05-26. This is the story of the birth and growth of Seattle's innovative Mars Hill Church, one of America's fastest-growing churches, located in one of America's toughest mission fields. It's also the story of the growth of a pastor, the mistakes he's made along the way, and God's grace and work in spite of those mistakes. Mark Driscoll's emerging missional church took a rocky road from its start in a hot upstairs youth room with gold shag carpet to its current weekly attendance of thousands. With engaging humor, humility, and candor, Driscoll shares the failures, frustrations, and just plain messiness of trying to build a church that is faithful to the gospel of Christ in a highly post-Christian culture. In the telling, he's not afraid to skewer some sacred cows of traditional, contemporary, and emerging churches. Each chapter

discusses not only the hard lessons learned but also the principles and practices that worked and that can inform your church's ministry no matter its present size The book includes discussion questions and appendix resources After reading a book like this you can never go back to being an inwardly focused church without a mission Even if you disagree with Mark about some of the things he says you cannot help but be convicted to the inner core about what it means to have a heart for those who don't know Jesus Dan Kimball author The Emerging Church will make you laugh cry and get mad school you shape you and mold you into the right kind of priorities to lead the church in today's messy world Robert Webber Northern Seminary
