Joanne McNeil,2020-02-25 One of Esquire s Best Books to Elevate Your Reading List in 2020 and a OneZero Best Tech Book
of 2020 Named one of the 100 Notable books of 2020 by the End of the World Review A concise but wide ranging personal
history of the internet from for the first time the point of view of the user In a shockingly short amount of time the internet
has bound people around the world together and torn us apart and changed not just the way we communicate but who we
are and who we can be It has created a new unprecedented cultural space that we are all a part of even if we don t
participate that is how we participate but by which we re continually surprised betrayed enriched befuddled We have
churned through platforms and technologies and in turn been churned by them And yet the internet is us and always has
been In **Lurking** Joanne McNeil digs deep and identifies the primary if sometimes contradictory concerns of people online
searching safety privacy identity community anonymity and visibility She charts what it is that brought people online and
what keeps us here even as the social equations of digital life what we re made to trade knowingly or otherwise for the
benefits of the internet have shifted radically beneath us It is a story we are accustomed to hearing as tales of entrepreneurs
and visionaries and dynamic and powerful corporations but there is a more profound intimate story that hasn t yet been told
Long one of the most incisive ferociously intelligent and widely respected cultural critics online McNeil here establishes a
singular vision of who we are now tells the stories of how we became us and helps us start to figure out what we do now
