*"Listening to your mum s voice can make your day". An explorative study about the social functions of voice messages in messaging apps for international students* Lisa Fritsch,2020-01-08 Master s Thesis from the year 2019 in the subject Communications Interpersonal Communication grade 1 6 European University Viadrina Frankfurt Oder language English abstract Since 2013 voice messages can be sent using messaging services such as WhatsApp Thus the oral information transfer enters the digital messenger communication which was previously exclusively based in written form In German research of communication and linguistics there are few scientists who have so far dealt

with voice messages They present a new challenge for the media linguistic conception of digital communication as they fall into a gap between oral and written language utterances The linguistics professor Katharina K nig emphasizes this decisive new aspect With the integration of voice messages media orality enters the non simultaneous quasi synchronous messenger communication Voice messages bring a kind of answering machine option to messenger chats How does this change digital communication What are the social functions for the interpersonal exchange of them These questions were investigated as part of a qualitative research for which 20 international students between the ages of 20 and 34 were interviewed in Paris and Sofia The selection of this sample favors the preservation of a homogeneous group of young adults in the same life situation The research results showed that despite the different countries of origin the students have a similar usage of voice messages The main benefit of voice messages is that they can be sent faster and easier and are therefore particularly practical in stressful situations The speed allows more complex information to be recorded in less time Furthermore the increased emotionality through one s own voice and consequently a bigger intimacy between two chat partners play an important role in the social functions of voice messages

**Instagram: How a Photo-Sharing App Achieved a \$1 Billion Facebook Buyout in 18 Months** Sarita

Harbour, 2012-07-30 ABOUT THE BOOK On April 5 2012 Instagram was valued at 500 million dollars as part of a new round of funding with investors Just a few days later Mark Zuckerberg CEO of Facebook negotiated to buy it for 1 billion 300 million cash and 700 million in Facebook shares CNN called it one of the biggest deals in recent business tech history not too shabby for a business only 18 months old and a great inspiration to small companies everywhere However Facebook s

acquisition received mixed reviews and many raised eyebrows in the technology and business world As details emerge regarding the buyout and as analysts scramble to make sense of the deal there are many questions How did Zuckerberg and Kevin Systrom of Instagram arrive at a figure of 1 billion What implications does this deal have for Facebook when it goes public in an expected Initial Public Offering in May 2012 Why does Facebook want Instagram so badly What can businesses learn from this deal and how the heck did a tiny company without any revenue become so desirable in just 18 months While Instagram's buyout by Facebook was viewed by many as a surprise acquisition it illustrates the increasing importance of the image based social sharing platforms in today's technology business world Facebook already had a photo sharing mobile photo sharing program but it was slow to load and clumsy to use For the past several years a team had been working on developing a solution As recently as last summer rumours circulated about a Facebook iPhone photo sharing application that would make it easier for users to upload edit and share their photos With changes in team members and little to show for their work nothing more was heard of Facebook's progress until February 2012 when Business Insider magazine reported new product boss Dirk Stoop was working on a new solution to the problem Zuckerberg was reported in the New York Times piece With Instagram Deal Facebook Shows its Worth as saying We don't plan on doing many more of these if any at all but providing the best photo sharing experience is one reason why so many people love Facebook and we knew it would be worth bringing these two companies together It is safe to assume that Facebook's own product was not working out as hoped leading Zuckerberg to buy the best photo sharing experience instead of developing it In addition to examining details of the acquisition there are broader issues to address How can businesses use Instagram and Facebook to build their own brands What does this deal say about Facebook's predictions for the mobility market and photo sharing platforms While Zuckerberg's official statement is that Instagram will continue operating as a separate platform from Facebook and that people who have Instagram but aren't on Facebook can continue using their favorite app how will Instagram change now that it is owned by Facebook In this book we will address these questions and review a quick history of Instagram We'll examine the events of Easter weekend that led to the Instagram buyout and get a glimpse into the fast moving world of high tech business and multi billion dollar companies EXCERPT FROM THE BOOK Mark Zuckerberg and Facebook paid 1 billion for a business that doesn't have any revenue Why In a nutshell Facebook purchased Instagram to take custody of its users before Facebook competitors did to strengthen its position in the mobile phone market and to get rid of a potentially difficult competitor As people in the tech world often say money follows the users The recent availability of Instagram for Android users had Zuckerberg concerned especially when the Instagram user population jumped by 10 million people in 10 days buy the book to continue reading *Instagram Marketing* George Pain, 2018-04-28 Are you looking to get better brand awareness more followers and better customer loyalty Launched in 2010 Instagram is a social networking app that allows users to share photos and videos using their handheld devices such as smartphones or tablet devices Like Facebook or Twitter you can

create your own Instagram account and watch content through your newsfeed If you post pictures or videos on the app these will be shown on your profile The app showed so much potential that Facebook bought it just 18 months after its launch through an acquisition deal worth 1 Billion What s even more impressive is that the platform has sustained its expected growth Recent data from statista com reveals that Instagram is now the second most popular social networking app in the United States As of February 2018 the app recorded more than 106 17 million monthly users If you need to market your business to people who are likely using Instagram you should add this platform to your marketing channels Whether you are in charge of managing the social media channels of a large company or a small business or even if you re simply trying to grow your personal brand adding Instagram into your digital strategy is a must With this beginner s guide you can learn the fundamentals of marketing your business through Instagram Specifically we will tackle the following topics Like most technological platforms Instagram is still evolving And before you can keep up you should start discovering this mobile app and how it can bring magic to your marketing efforts Here s What s Included In this Book The primary advantages of using Instagram Knowing whether Instagram is right for your business Defining your ideal Instagram followers Growing your brand through Instagram engagement Developing your content on Instagram How to use Instagram to boost your sales Scroll up and download now

**Instagram** Kristen Rajczak Nelson,2014-12-15 In an increasingly app focused world you would be hard pressed to find a user who hasn t encountered the massively popular photo sharing app Instagram With over 150 million active monthly users Instagram s wild success is well known but unlike other stories of tech triumph few know the details behind the achievements of Instagram cofounders Kevin Systrom and Mike Krieger With their experience from other companies including Google and Microsoft this pair gave new life to amateur photography the world over Read how two young driven techies became the CEOs of the most popular photography app in the world today

**Snap and Share** Adam Furgang,2014-12-15 They say a picture is worth a thousand words If that s true then what are a thousand pictures worth Today with the use of mobile smartphones and similar devices containing miniaturized cameras snapping and sharing

photos has never been easier or more commonplace. Playing around with photo and video apps like Instagram, Vine, Flickr, and Snapchat has become a natural part of teenage life. But along with the fun comes responsibility. This volume guides readers through simple steps for using photo and video apps and offers ideas for unleashing creativity. It also addresses the potential risks of using these apps such as cyberbullying and suggests a code of conduct that should be enforced whenever anyone snaps and shares.

### **Instagram X App This Month Introduction**

In today's digital age, the availability of Instagram X App This Month books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Instagram X App This Month books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Instagram X App This Month books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Instagram X App This Month versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Instagram X App This Month books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Instagram X App This Month books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Instagram X App This Month books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Instagram X App This Month books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Instagram X App This Month books and manuals for download and embark on your journey of knowledge?
