## **Netflix Best:**

**Netflix's Speculative Fictions** Colin Jon Mark Crawford,2020-12-10 Netflix's Speculative Fictions Financializing Platform Television argues that Netflix's scaled expansion has hinged upon its ability not only to create but more importantly to communicate new forms and flows of potential value in platform capitalism wherein capital is mobilized not only from direct revenue streams but also the new value assigned to inputs and investments of data debt attention behavior taste time sociality and speculation To interpret and critique these new communications and projections of value Colin Jon Mark Crawford performs a discursive analysis of the platform television industry leader Netflix and its investor lore the multi-sited narrative of value found in the company's investor relations materials and corporate communications such as letters to shareholders financial earnings reports executive interviews press releases and blog posts Netflix best represents the increasingly ubiquitous nexus of culture tech and finance industries that is platform television To better understand the emergent financial logics of this relatively new media industry we must first understand the speculative narratives and discourses of value which organize it Scholars of media studies television studies technology studies and economics will find this book particularly useful

**A Parent's Guide to Netflix's Stranger Things** Axis,2018-08-01 Stranger Things has undoubtedly made its mark on our culture This guide will help you understand the show's themes and more importantly how to start meaningful conversations with teens about its messages Parent Guides are your one-stop shop for biblical guidance on teen culture trends and struggles In 15 pages or fewer each guide tackles issues your teens are facing right now things like doubts the latest apps and video games mental health technological pitfalls and more Using Scripture as their backbone these Parent Guides offer compassionate insight to teens world thoughts and feelings as well as discussion questions and practical advice for impactful discipleship

**Choice Hacking** Jennifer L. Clinehens,2020-06-16 What if you could use Nobel prize winning science to predict the choices your customers will make Customer and user behaviors can seem irrational Shaped by mental shortcuts and psychological biases their actions often appear random on the surface In Choice Hacking we'll learn to predict these irrational behaviors and apply the science of decision making to create unforgettable customer experiences Discover a framework for designing experiences that doesn't just show you what principles to apply but introduces a new way of thinking about customer behavior You'll finish Choice Hacking feeling confident and ready to transform your experience with science In Choice Hacking you'll discover How to make sure your customer experience is designed for what people do not what they say they'll do How to increase the odds that customers will make the right choice in any environment How to design user experiences that drive action and engagement How to create retail experiences that persuade and drive brand love How brands like Uber Netflix Disney and Starbucks apply these principles in their customer and user experiences Additional resources included with the book Access to free video Companion Course Access to exclusive free resources tools examples and use cases online Who will benefit from reading Choice Hacking This book was written for

anyone who wants to better understand customer and user decision making Whether you re a consultant strategist digital marketer small business owner writer user experience designer student manager or organizational leader you will find immediate value in Choice Hacking About the Author Jennifer Clinehens is currently Head of Experience at a major global experience agency She holds a Master s degree in Brand Management as well as an MBA from Emory University s Goizueta School Ms Clinehens has client side and consulting experience working for brands like AT T McDonald s and Adidas and she s helped shape customer experiences across the globe A recognized authority in marketing and customer experience she is also the author of CX That Sings An Introduction To Customer Journey Mapping To learn more about this book or contact the author please visit [ChoiceHacking.com](http://ChoiceHacking.com)

**Stocks for All: People's Capitalism in the Twenty-First Century** Petri Mäntysaari,2021-12-31 Public stock markets are too small This book is an effort to rescue public stock markets in the EU and the US There should be more companies with publicly traded shares and more direct share ownership Anchored in a broad historical study of the regulation of stock markets and companies in Europe and the US the book proposes ways to create a new regulatory regime designed to help firms and facilitate people s capitalism Through its comparative and historical study of regulation and legal practices the book helps to understand the evolution of public stock markets from the nineteenth century to the present day The book identifies design principles that reflect prior regulation While continental European company law has produced many enduring design principles the recent regulation of stock markets in the EU and the US has failed to serve the needs of both firms and retail investors The book therefore proposes a new set of design principles to serve contemporary societal needs

**The Global Film Market Transformation in the Post-Pandemic Era** Qiao Li,David Wilson,Yanqiu Guan,2023-05-04 This book reviews the development and performance of the global film industry during the COVID 19 pandemic and examines new trends in film production distribution and consumption through a global lens The COVID 19 pandemic has had a substantial impact on the global film industry since the beginning of 2020 There has been significant transformation in terms of film production distribution and consumption Hollywood like many national cinemas across the globe has suffered the most significant impact at all levels the interruption of new film productions shutdowns of movie theatres in many countries and delays in the release of new films among them Many movies made for cinemas were forced to move from release in theatres to various streaming platforms and nontraditional production companies continued to grow their market share This book places the global film industry in a post Pandemic context It provides detailed analyses of specific systems of film production distribution and consumption in national cinemas as well as in Hollywood while also engaging with the key theoretical and methodological questions from the film studies literature This volume is a critical reference for students and scholars of film studies and general readers who are interested in the new trends and transformation of the global film industry in a post pandemic era The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No
