Tenacious and True Scott Pleasant,2026-03-31 An improbable dream fulfilled in one unforgettable season In 2016 a Conway South Carolina mid major baseball team that had once played on borrowed fields and traveled in hand me down vans shocked the college baseball world Veteran head coach Gary Gilmore who had spent two decades building the program into a national power led the Coastal Carolina Chanticleers to capture their first College World Series title in dramatic fashion At the heart of that victory were players like G K Young a Conway native and lightly recruited power hitter whose towering home run in the deciding game ensured victory and completed Coastal Carolina's improbable run to the top Alongside teammates like shortstop Michael Paez and ace pitcher Andrew Beckwith Young embodied the grit and determination that defined Gilmore's program In *Tenacious and True* gifted storyteller Scott Pleasant recounts that unforgettable season capturing the voices of the players coaches and devoted fans who made it happen He brings readers into the dugout with a tale of persistence pride and what it means to belong to a team and a town *Politics and Sports in America* Thomas R. Morris,Daniel J. Palazzolo,2026-04-21 *Politics and Sports in America* offers a fresh perspective on the dynamic relationship between athletics and political life in the United States While recent scholarship has focused on the rise of athlete activism few political scientists have examined sports through a distinctly American lens Most existing studies emphasize international contexts Thomas R Morris and Daniel J Palazzolo address this gap by examining the intersections of sports and politics across multiple dimensions citizenship and civic identity the balance between national and local forces the role of elite athletes in advancing democratic principles such as equality and liberty the tension between individualism and collective action and the striking parallels between rival sports teams and polarized political parties They also explore how politicians intentionally engage with sports through policy decisions and symbolic gestures Taken together these perspectives reveal how the relationship between sports and politics enriches our understanding of the American republic

and its democratic traditions Designed for scholars and instructors this book provides a political science framework for analyzing sports as a source of civic and institutional development It also serves as a resource for teaching American government offering innovative ways to connect political institutions processes and debates to the world of athletics Beyond academia the work speaks to sports fans who follow politics and citizens who follow sports inviting both groups to see how these spheres illuminate one another

How the Los Angeles Dodgers Won the 2025 World Series Paul Zillman,2025-11-05 How the Los Angeles Dodgers Won the 2025 World Series Back to Back and Bound for History The story of the 2025 Los Angeles Dodgers is not just about winning it is about redefining what dominance looks like in modern baseball How the Los Angeles Dodgers Won the 2025 World Series Back to Back and Bound for History takes readers deep into a season where precision patience and purpose shaped a dynasty From the steady brilliance of Yoshinobu Yamamoto s historic World Series performance to Shohei Ohtani s once in a generation power the Dodgers built a masterpiece of

teamwork and timing Their path was not one of chaos or luck but of design a reflection of years of planning culture and belief Inside the dugout veteran leaders like Freddie Freeman and Mookie Betts set the tone Beyond the diamond the front office under Andrew Friedman and manager Dave Roberts orchestrated a system that made greatness feel inevitable This book captures every layer of that journey the sweep through the National League the nerve shaking duels of October and the citywide roar that followed when Los Angeles claimed its second straight championship The chapters unfold like innings in a timeless game revealing the strategies sacrifices and small moments that turned ambition into history With creative depth and factual clarity it tells how a franchise already rich in tradition reached another summit and showed that legacy is built not by one season but by what comes after Back to Back and Bound for History is the full story of a team that turned excellence into expectation and left the city of Los Angeles forever painted in Dodger blue *Holstein-Friesian World* ,1929
