Communication and Sport Michael L. Butterworth,2021-07-19 Sport is a universal feature of global popular culture It shapes our identities affects our relationships and defines our communities It also influences our consumption habits represents our cultures and dramatizes our politics In other words sport is among the most prominent vehicles for communication available in daily life Nevertheless only recently has it begun to receive robust attention in the discipline of communication studies The handbook of Communication and Sport attends to the recent and rapid growth of scholarship in communication and media studies that features sport as a central site of inquiry The book attempts to capture a full range of methods theories and topics that have come to define the subfield of communication and sport or sports communication It does so by emphasizing four primary features First it foregrounds communication as central to the study of sport This emphasis helps to distinguish the book from collections in related disciplines such as sociology and also points readers beyond media as the primary or only context for understanding the relationship between communication and sport Thus in addition to studies of media effects mediatization media framing and more readers will also engage with studies in interpersonal intercultural organizational and rhetorical communication Second the handbook presents an array of methods theories and topics in the effort to chart a comprehensive landscape of communication and sport scholarship Thus readers will benefit from empirical interpretive and critical work and they will also see studies drawing on varied texts and sites of inquiry Third the handbook of Communication and Sport includes a broad range of scholars from around the world It is therefore neither European nor North American in its primary focus In addition the book includes contributors from commonly under represented regions in Asia Africa and South America Fourth the handbook aims to account for both historical trajectories and contemporary areas of interest In this way it covers the central topics debates and perspectives from the past and also suggests continued and emerging pathways for the future Collectively the handbook of Communication and Sport aspires to provide scholars and students in communication and media studies with the most comprehensive assessment of the field available

Touchdown Gerald R. Gems, Gertrud Pfister,2017-09-30 American football is the most popular and controversial sport in the United States and a massive industry The NFL s revenues are over 13 billion annually The Super Bowl is watched by half of US television households and is televised in over 150 countries
