## Genesis Translation And Commentary:

*Genesis* Robert Alter, 1997-09-02 A translation of Genesis which attempts to recover the meanings of the ancient Hebrew and convey them in modern English prose It is accompanied by a commentary and annotations and aims to illuminate the original work without any touch of the fake antique

**Genesis**, 1996-10 Alter's rare combination of fluent translation and insightful commentary makes this the perfect edition of Genesis for anyone drawn to this formative work in our culture With a translation that attends to the usages rhythms and narrative patterns of biblical Hebrew and a commentary which deepens readers understanding of Genesis without being intrusive this book is the Genesis for our generation and beyond Robert Fagles

**Slightly Bad Girls of the Bible** Liz Curtis Higgs, 2018-07-24 Good Women Behaving Badly A spiteful boss a defiant employee a manipulative mother a desperate housewife an envious sister honey we know these women We've lived with them worked with them or caught a glimpse of them in our mirrors Now let's take a look at their ancient counterparts in Scripture Sarah mistreated her maidservant Hagar despised her mistress Rebekah manipulated her son Leah claimed her sister's husband and Rachel envied her fertile sister They were far from evil but hardly perfect Mostly good yet slightly bad In other words these matriarchal mamas look a lot like us A Slightly Bad Girl is simply this a woman unwilling to fully submit to God We love him serve him and worship him yet we find it difficult to trust him completely to accept his plan for our lives to rest in his sovereignty from *Slightly Bad Girls of the Bible*

*Old Testament Narratives and Speech Act Theory* Steven T. Mann, 2025-01-15 *Old Testament Narratives and Speech Act Theory* explores the ways in which words can create worlds within Old Testament narratives Whereas characters can use their words in particular ways to impact the imaginations of their listeners the storyteller attempts to transform the audience with the world's of the narrative

*The Power of Obedience* Deborah L. Roeger, 2022-07-20 What does God require of you Many Christians are asking this question and looking for an answer that is biblically founded You can find the answer in this book In her previous book *God Still Speaks* Deborah Roeger outlined a sound basis for hearing from God discerning His voice and following Him more closely as we develop the habit of listening In this first volume of her series *Lost in Translation* she studies biblical obedience Rather than speaking of obedience as a list of duties she presents it as a uniquely powerful way to live This book is rooted in the stories of Scripture especially of the Old Testament From those roots the study unfolds a practical life changing approach to discipleship based on finding God's will and joyfully joining Him Each chapter provides a key verse and a number of scriptural examples to follow as we seek to become more effective disciples We do this not to earn God's favor but to align with His will and to enjoy a life of peace and communion with the God who loves us The book contains well researched word studies which link the lessons with specific key words in Scripture Each word study provides helpful insight into how that

word is used biblically and how it informs our discipleship This book is intended for group study but can also be read and studied individually It is a resource for Christian education classes wanting to dig deeper into God s Word presented in the Bible
