Life in the Middle Stephanie Coleman, 2023-07-18 *Life in the Middle* is the fifth book in a series that travels alongside four friends as they deal with teen life in Riverbend, Indiana. The novel inspires girls and young women to deepen their relationships with God as they face real-life issues and solve their problems in God-honoring ways. Tessa feels as if every part of her life is falling to pieces. She finds out that her mom and dad are officially getting divorced. Then Alex, her boyfriend, starts working at a camp where she barely gets to see him. Now Tessa's dad wants her to watch her half brother every week, and he also has some news that makes her feel sick. On top of that, her mom is wanting to move out of the house she has lived in since the time she was born. No one seems to understand what Tessa is going through, what she is thinking and feeling, and she's not sure anyone will ever understand. With everything changing, no one seems to care what she thinks. Will there ever be a group of people she can trust to be there for her and love her unconditionally?

Gender Madness Oli London, 2023-08-15 How one man's struggles with self-identity and detransition lay challenge to the very foundation of the gender ideology movement. While documenting his own personal identity struggles with gender and self-identity, British K-Pop singer Oli London explores the root cause of the issue of trans ideology and gender identity, tackling the pressures of social media, the education system, media, and other factors that are pushing a growing number of young people into transitioning. He takes a close look at real-world examples and examines laws, research, and data to help lift the lid on the multibillion-dollar gender-affirming care industry. *Gender Madness* gives an intimate look into what led Oli London to want to become a Korean woman and how he overcame his battle to become an advocate for the millions of young people who question their own identity. He recently publicly announced he had detransitioned and is living as a male again and has since become an outspoken activist for children and women's rights.
