Lawrence E. Babits, Hans Van Tilburg, 1998-01-31 A collection of writings from lectures academic papers and journal articles on theory and practice of maritime archaeology covering the period from the field's inception in the late 1940s to the present. Articles encompass different styles and methodologies of archaeological practice and describe progress in the technology of diving and excavation over the decade. Some articles reflect the long standing rivalry between commercial salvors and archaeologists and some reveal contributions to the field from amateurs and treasure hunters.
