Research Handbook on University Rankings Hazelkorn, Ellen, Mihut, Georgiana, 2021-12-10 Gathering unique and thoughtful contributions from leading international scholars this timely Research Handbook offers diverse perspectives on university rankings twenty years after the first global rankings emerged It presents an in depth analysis that reflects the current state of research on rankings their influence and impact

Rankings and the Reshaping of Higher Education Ellen Hazelkorn, 2015-03-23 University rankings have gained popularity around the world and are now a significant factor shaping reputation This second edition updates Ellen Hazelkorn's first comprehensive study of rankings from a global perspective drawing in new original research and extensive analysis It is essential reading for policymakers managers and scholars

Handbook on Corruption in Higher Education Elena Denisova-Schmidt, Philip G. Altbach, Hans de Wit, 2025-09-10 This insightful Handbook provides an overview of corruption within the context of higher education Through a variety of international case studies theoretical frameworks and methodologies it examines the underlying issues involved in corruption as well as the damaging impact on scholarly cultures and the academic enterprise

Empires of Ideas William C. Kirby, 2025-05 A Marginal Revolution Best Non fiction Book A fascinating book Steven Mintz Inside Higher Ed Substantive on virtually every page the author actually understands how universities work An impressive performance Tyler Cowen Marginal Revolution With his extraordinary breadth of curiosity and equal ease in the histories and cultures of these countries only Bill Kirby could have written this book It is must reading for everyone who cares about universities a thought provoking lesson in the strange mix of durability and vulnerability that defines this key modern institution Richard Broadhead President Emeritus Duke University William Kirby's new book is unique I know of nothing else on higher education that resembles it in breadth scope and sheer comparative information and analysis Anyone interested in the nature of universities during the past two centuries will want to read this volume Neil L Rudenstine President Emeritus Harvard University Today American institutions dominate nearly every major ranking of global universities Yet in historical terms America's preeminence is relatively new and there is no reason to assume that US schools will continue to lead the world a century from now Indeed America's supremacy in higher education is under great stress particularly at its public universities while Chinese universities are on the ascent Will China threaten American primacy Empires of Ideas looks to the past two hundred years for answers examining the successes of leading universities to determine how they rose to prominence and what threats they currently face William C Kirby gives special attention to the challenges that Chinese academic leaders must confront reinvesting in undergraduate teaching developing new models of funding and navigating a political system that may undermine a true commitment to free inquiry and academic excellence

U.S. News & World Report, 2001 *The American Legal Profession* Christopher P. Banks, 2023-11-10 This book is a tight and fresh analysis of the American legal profession and its significance to society and its citizens The book's primary objective is to expose and correct the principal misconceptions

myths surrounding prelaw study law school admission law school and the American legal profession itself These issues are vitally important to prelaw advisors and instructors in light of the difficult problems caused by the Great Recessions of 2008 and 2020 2021 and the disruptions caused by the COVID 19 pandemic Aimed equally at prelaw advisors and potential law students this book can be used as a supplement in the interdisciplinary undergraduate law related instructional market including courses that cater to majors minors in political science and criminal justice in particular It can also be used in career counselling internships and the extensive paralegal program market New to the Second Edition Expanded coverage to include paralegal and legal assistant training New material on women and minority law students who are transforming law schools and the profession Explores challenges to the legal profession posed by economic recession COVID 19 high tuition rates exploding student loan debt internet technological advances and global competitive pressures including legal outsourcing and DIY legal services Updated data and tables along with all underlying research
