Bookwise Sharon Parsons,2001 Including both fiction and non fiction text types and genres this work is graded and organised into five cross curricular strands These full colour readers are accompanied by teacher s guides and resource sheets featuring appropriately linked ideas and suggestions for Guided Writing activities **Cultural Capital and Parental Involvement** Siu-hang Kong,2023-01-12 This book uses Pierre Bourdieu s cultural capital model as a theoretical framework for exploring how students in Beijing and Hong Kong perceive parental influences their parents cultural capital and support on their participation in musical activities By studying students perceptions of their parents cultural capital and support for their musical activities this book revisits the applicability of Bourdieu s cultural capital model in the contemporary Chinese context and reveals how inequality in terms of parental cultural capital governs parents support and influences the intergenerational transmission of cultural capital which in turn contributes to inequality in terms of students cultural capital

Tips for Teaching Introductory Sociology Lewis,Jerry Middleton Lewis,1997 This booklet contains tips on course goals and syllabi lecture preparation exams class exercises research projects and course evaluations It is an invaluable tool for first time instructors of the introductory course and for veteran instructors in search of new ideas **Extreme Writing** Keen J. Babbage,2010-03-16 In recent years educators have become increasingly concerned about the writing skills of students in elementary middle and high school They wonder what can be done to build proper writing skills particularly in a generation of students who may consider text messaging to be the only writing a person needs to do Extreme Writing describes how teachers can build upon the eagerness and skills that students apply to recreational social and friendly writing bringing enjoyment back into writing for students The Extreme Writing approach is not a precise formula for student achievement rather it is a shared discovery of the process the adventure the wonder and the liberation inherent in writing
