iOS Game Development Thomas Lucka,2016-04-19 The book offers information about the iOS platform It explains the use of OpenGL ES for 2D 3D graphics and OpenAL for sound both of which are recommended for game performance on the iOS platform It covers new APIs such as the GLKit GameKit and Box2D Physics Engine

YouTube Monetization A-Z Evergreen Affiliate Guide Arfee,2026-03-01 Every minute people around the world watch millions of hours of video on YouTube yet only a small fraction of those viewers understand how to turn those views into a steady paycheck Most people believe you need to be a famous celebrity or have millions of followers to make money online This book is here to show you that a quiet helpful person with a small audience can actually earn more than a viral star We will focus on a method called affiliate marketing which is simply getting paid a small fee for recommending products you like to others In Chapter 1 we look at why now is the best time to start specifically focusing on profitable YouTube affiliate secrets for 2026 You will learn about the massive growth in the global market and why there is plenty of room for new creators like you We will also spend time debunking common income misconceptions that stop most people before they even begin You do not need expensive cameras or a Hollywood studio to build a successful business from your living room To succeed you must start with a solid plan which is why Chapter 2 focuses on selecting high commission niches that last A niche is just a specific topic like mountain biking or vegan cooking that helps you find the right audience We will explore how to choose the best affiliate networks and merchants which are the companies that will pay you for your help By picking the right topic early on you ensure your channel stays relevant and profitable for many years to come One of the biggest mistakes new creators make is only talking about news or trends that disappear in a week Chapter 3 teaches you how to design 80 20 evergreen content blueprints to avoid this trap Evergreen content is like a sturdy tree that stays green all year it is a 3 video that people will still want to watch three years from now You will learn how to balance these steady

videos with trendy ones and discover high converting video formats that naturally encourage people to buy Finally Chapter 8 will teach you how to read your progress like a professional business owner We will explain financial terms like RPM which is how much money you make for every thousand views and EPC which is how much you earn for every click You will learn how to perform a long term performance audit to see which videos are working and which ones are not Understanding these simple numbers allows you to work smarter instead of just working harder Think of this book as a roadmap that takes you from being a viewer to becoming a successful creator You do not need to read it all in one sitting but you should try to follow the steps in the order they are written Each chapter builds on the one before it to help you create a digital business that earns money while you sleep Let us begin this journey by looking at the incredible opportunities waiting for you on YouTube today
