Watch and Learn Mitch Lowe, 2022-09-06 Get an inside perspective on the entertainment distribution revolution from an executive who lived it with Netflix Redbox and MoviePass and who continues to consult speak and share his unique understanding of how to disrupt the status quo and adapt to what the customer wants When Warner Brothers announced they'd be streaming all their new 2021 theatrical releases simultaneously on HBO Max it sent shock waves through the entertainment industry But it was also an inevitable decision and one soon to be copied by the other major studios scrambling to keep up with just how radically the way we watch movies has changed over the past two decades Mitch Lowe has been at the forefront of that revolution helping to shape a world where you can watch whatever movie wherever and whenever you want Lowe was one of the founding executives at Netflix served as president of Redbox the DVD rental kiosks outside Walmart and supermarkets around the country and as the CEO of MoviePass the much lauded monthly movie theater subscription that even as it failed changed the way movie theaters operate forever Along the way Lowe learned that genuine disruption doesn't always mean aggressive upheaval and overnight success More often than not true disruption is the result of perseverance imagination and a constantly evolving quest to understand what it is that customers really want In Watch and Learn Mitch Lowe will tell the inside story of the dramatic evolution of the entertainment business from the days of early cable television Beta and VHS to a world where consumers have infinite choice and control of the movies they see He'll also share personal stories from a wild ride that began with his dropping out of high school and living on the edge of conflict in an Israeli kibbutz smuggling goods and money between Europe and the Middle East and ultimately embracing Buddhism Along the way readers will gain essential insights and lessons that extend far beyond the entertainment industry rooted in Lowe's keen sense for seeing ahead of the curve and intuiting customer needs and applicable to anyone who has ambitions to disrupt and succeed from leading with love and imagination to reinforcing the intrinsic power of gut instinct with data and testing to the ultimate competitive advantage of getting closest to the customer and the value of perseverance and tinkering Whether you're just starting out in business or already have a long track record of success you'll find plenty to learn from a man who has seen it all done most of it and met everyone You'll see there's nobody else like Mitch from the Foreword by Marc Randolph Co founder and First CEO of Netflix and author of That Will Never Work The Birth of Netflix and the Amazing Life of an Idea

Top Down Innovation Mary J. Cronin, 2014-01-02 This Brief focuses on strategies for innovation Top Down Innovation discusses the barriers to successful organizational and product innovation distills the leading theories about how to foster innovation and presents six case studies of well-known brands that have succeeded and in one case failed in meeting innovation challenges Synthesizing the lessons learned from companies that have mastered innovation over time it provides a new perspective on the role of market leading companies and top management in driving innovation Since the publication of Clayton Christensen's pioneering Innovator's Dilemma in 1997 the rules of innovation have themselves been transformed
