"The first wave of pain. He gasped. It was as if a tiny knife lodged in his leg, slicing through each nerve with ease. In his agony he perceived the word 'love' and felt looking at the torn bone and flesh. He tried to move, did not. The pain grew." – Chapter 14

Jonas understood the first memory's impact on him through a memory of a swimming accident he had.

Jonas made a racing sound in Jonas' memory. The race was a quick review of the year so far in his life, including everything he had done, good and bad, and everything he had learned.

Jonas understood things with better, gentler memories and perceived the first memory for the first time.
