**Higher Powered** Shahryar Sadree,2016-03-15 You have more power than you will ever know It has been said that humans only use a small fraction of the minds ability What if you could unlock that unused potential and open the doorway to your dreams What if you could make that your reality Author Shahryar Sadrees Higher Powered A Book of Powerful Secrets to Finding Happiness takes you on a journey to open your mind awaken the spirit and unfold the real truth as to who you really are From there you will learn what it means to have power and your life can change forever Sadree pieces together historical events science and his own discoveries to pave a way to a better understanding of human behaviors He discusses the necessity of changing how we think to achieve a truly happy life In down to earth language and a friendly tone the author delves into why we think the way we do before embarking on the difficult yet achievable task of changing how we think Most of us have no idea how much power we have as creators inside a human body Higher Powered A Book of Powerful Secrets to Finding Happiness helps you find that power and use it optimally

*Law Of Attraction* Zachariah Albert,2019-07-26 Are you ready to manifest anything you want into your life Looking closely at our everyday life you will realize that the law of attraction is present all the time Most people do not notice the connection because of the time lag between their thoughts and the manifestation of their thoughts However there are some things that happen to us that we feel happened as a result of a coincidence not knowing it is the law of attraction that is at work For instance have you ever thought of calling a friend and the friend calls you around that time Or have you ever thought of picking up your phone and your phone rings at that instance These experiences are not coincidences they are a result of the law of attraction We get more of what we focus on in life That is why you need to get more creative with your thoughts In this book I am going to show you how you can consciously and deliberately attract good things into your life by aligning your thoughts in the right way Focusing more on things that make you happy increases your chances of attracting things that make you happy The other side of this is the negative side which is when you focus on things you are not happy about you tend to attract things that will make you sad For instance if you focus on wealth and good health you attract wealth and good health However if you focus on poverty you will attract a situation that will rob you of the little things you have gathered Here s a sneak preview of what you ll learn from this book What the Law of Attraction is The Science behind it How to attract Love using the LOA How to attract Money using the LOA How to attract Happiness using the LOA How to attract Health using the LOA How to be more Positive using the LOA How to Integrate the LOA into Your Daily Life and much much more Get your copy now
