EU Securities and Financial Markets Regulation Niamh Moloney,2023-03-25 Over the decade or so since the global financial crisis rocked EU financial markets and led to wide ranging reforms EU securities and financial markets regulation has continued to evolve The legislative framework has been refined and administrative rulemaking has expanded Alongside the Capital Markets Union agenda has developed the UK has left the EU and ESMA has emerged as a decisive influence on EU financial markets governance All these developments as well as the Covid 19 pandemic have shaped the regulatory landscape and how

supervision is organized EU Securities and Financial Markets Regulation provides a comprehensive critical and contextual account of the intricate rulebook that governs EU financial markets and its supporting institutional arrangements It is framed by an assessment of how the regime has evolved over the decade or so since the global financial crisis and considers among other matters the post crisis reforms to key legislative measures the massive expansion of administrative rulemaking and of soft law the Capital Markets Union agenda the development of supervisory convergence as the means for organizing pan EU supervision and ESMA s role in EU financial markets governance Its coverage extends from capital raising and the Prospectus Regulation to financial market intermediation and the MiFID II MiFIR and IFD IFR regimes to the new regulatory regimes adopted since the global financial crisis including for benchmarks and their administrators to retail market regulation and the PRIIPs Regulation and on to the EU s third country regime and the implications of the UK s departure from the EU This is the fourth edition of the highly successful and authoritative monograph first published as EC Securities Regulation Heavily revised from the third edition to reflect developments since the global financial crisis it adopts the in depth contextual and analytical approach of earlier editions and so considers the market political institutional and international context of the regulatory and supervisory regime Activist Retail Investors and the Future of Financial Markets Usman W. Chohan, Sven Van Kerckhoven, 2023-04-17 Contemporary financial markets have been characterized by sociocultural phenomena such as meme stocks the Gamestop short squeeze and You Only Live Once YOLO trading These are movements led by small scale retail investors banding together to participate forcefully in financial markets through decentralized but coordinated actions This book deploys many different subdisciplines to explore the recent power grabbing of retail investors and the online environment that enables them to join the ranks of major financial players and participate in contemporary capitalism It offers multiple perspectives on the genesis role motivations power and future prospects of retail investors as a force in contemporary financial markets Drawing upon the insights of authors hailing from many different countries the book frames YOLO capitalism through numerous angles that help to explain the context and the importance of activist retail investors in modern financial markets and thereby explore the possibilities of a transformed financial future with much wider small scale participation The book assesses the potential of online and other communities in enabling global coordination in impacting or even driving financial and crypto markets and the challenges that come with it and weighs the competing narratives both positive and negative regarding YOLO capitalism It strikes a balanced assessment of their legal cultural behavioural economic and political roles in modern finance This book will be of interest to a multidisciplinary and interdisciplinary audience of scholars in financial markets financial regulation political economy public administration macroeconomics corporate governance and the philosophy and the sociology of finance Methodist Advocate Journal ,1908
