to sputter along where it ought to thrive What is the source of the current plague of downsizing disappearing companies dot
com crashes and here today gone tomorrow advertising campaigns Why do more products flop than ever before Marketing
experts Kevin J Clancy and Peter C Krieg have the answers In Counterintuitive Marketing Clancy and Krieg trace the high
rate of business failure back to bad marketing strategy and the even worse implementation of that strategy Excess
testosterone they argue compels senior managers to make decisions intuitively instinctively quickly and unfortunately
disastrously In this informative and enlightening book Clancy and Krieg confront these over and over again marketers who
don t have time to do it right the first time but endless time and a company bankroll to do it wrong over and over again The
authors draw from their decades of consumer and business to business marketing experience to describe the intuitive
decision making practices that permeate business today and demonstrate how these practices lead to disappointing
performance Chapter by chapter Counterintuitive Marketing contrasts how marketing decisions are made today with how
they should be made The authors give equal treatment to targeting positioning product development pricing customer
service e commerce marketing planning implementation and more as they present counterintuitive ideas for building and
introducing blockbuster marketing programs Readers will discover in this iconoclastic treasure chest hundreds of
penetrating insights that have enabled the authors firm Copernicus to transform companies and become a brand guardian to
