With strong theoretical coverage and cutting-edge research, the text provides a cross-cultural and integrative analysis of leadership in today's organizations. The 8th Edition continues its focus on application, offering numerous opportunities for you to apply and reflect on leadership concepts in your own development. New examples, exercises, research, and a THINK KNOW DO roadmap ensure you have everything you need to make better managerial decisions in a complex and dynamic global environment. **The Art and Science of Leadership** Afsaneh Nahavandi, 2006 For undergraduate and graduate courses in Leadership. This text offers a broad review and analysis of the field of leadership, complete with its many debates and controversies. Strong theoretical coverage still allows the book to be applications-oriented to business and other organizations on the guiding philosophy and assumption that we can all learn to become better leaders. A cross-cultural perspective, gender-based analyses, focus on leaders' personalities and behavior, and discussion on the role and characteristics of followers complete this treatment. **The Art and Science of Leadership** Afsaneh Nahavandi, 2000 This text offers a broad review and analysis of the field of leadership, complete with its many debates and controversies.
