Rush, 2016-06-07 Hamka's Great Story presents Indonesia through the eyes of an impassioned popular thinker who believed that Indonesians and Muslims everywhere should embrace the thrilling promises of modern life and navigate its dangers with Islam as their compass Hamka Haji Abdul Malik Karim Amrullah was born when Indonesia was still a Dutch colony and came of age as the nation itself was emerging through tumultuous periods of Japanese occupation revolution and early independence He became a prominent author and controversial public figure In his lifetime of prodigious writing Hamka advanced Islam as a liberating enlightened and hopeful body of beliefs around which the new nation could form and prosper He embraced science human agency social justice and democracy arguing that these modern concepts comported with Islam's true teachings Hamka unfolded this big idea his Great Story decade by decade in a vast outpouring of writing that included novels and poems and chatty newspaper columns biographies memoirs and histories and lengthy studies of theology including a thirty volume commentary on the Holy Qur'an In introducing this influential figure and his ideas to a wider audience this sweeping biography also illustrates a profound global process how public debates about religion are shaping national societies in the postcolonial world **Modern Indonesian literature** A. Teeuw, 2013-03-09 The history of this book dates back exactly 20 years When I first set foot on the shores of Indonesia in September 1947 I was amongst other things assigned the task of teaching Malay literature in an advanced teacher training course with the instruction to lay stress on modern literature This was easier said than done as very little had been written on the subject and few materials were available to me From this period I recall with great gratitude the regular and friendly contacts I had with Mr Sutan Takdir Alisjahbana who in many ways me with information and documentation helped The editors of the magazine *Kritiek en Opbouw* found my lecture notes on some pre war authors worth publishing These articles with an introduction on Bahasa Indonesia and some other additions were subsequently collected and published by Pembangunan under the title *Voltooid Voorspel* Completed Prelude Djakarta 1950 The little book sold fairly quickly but rather than publishing a new edition in Dutch the publisher was interested in bringing out an Indonesian adaptation Much material was added the larger part of which had been collected by writing occasional reviews of Indonesian literary works for the Dutch newspaper *Nieuwsgier* in Djakarta The text of the book was very conscientiously turned into Bahasa Indonesia by Anku Raihul Amar **Terusir Hamka**, 1963 Al-Islam Said Hawwa, 2020-12-01 Sampai saat ini tidak sedikit umat Islam yang mempunyai pengetahuan dan pemahaman terbatas terhadap Islam Mereka hanya membatasi Islam pada dua lingkup saja yaitu rukun rukun Islam dan
