

# The Song of Solomon

TWO lovers, Solomon and a Shulamite girl, express their feelings for one another, with occasional comments made by friends. The book has no narrative sections, being composed entirely of speeches to each other. The Song of Solomon is a celebration of marital love, unabashedly physical and earthy (though not lewd). While the Song is a straightforward love song, not an allegory, Christians do know that behind the bliss of marital love stands the eternal love of God, which sanctifies the love of men and women. Husbands and wives can love each other with physical delight and joy if they know the spirit of Christ purifies all human relationships.

1 THE SONG of songs, which is Solomon's.

In the chambers of the king

2 Let him kiss me with the kisses of his mouth: for thy love is better than wine.
