Audacity of Speaking in Tongues Oppong Kyekyeku,2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom Many doubts which surrendering it are creating fear instead of faith for its authenticity meanwhile Jesus promised every believer as one of the signs to follow us Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus's prophecy Peter couldn't ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told **Tongues, to Speak Or Not to Speak** Donald W. Speaking in Tongues Felicitas D. Goodman, 2008-04-15 Speaking in tongues or glossolalia is practiced in many different religions around the world Dismissed as meaningless gibberish by some observers it has been the subject of only a

few fragmentary studies The work of Felicitas D Goodman represents the first cross cultural analysis of this enigmatic behavior and she brings to her research an extensive background in linguistics and anthropology Dr Goodman s fieldwork included living with apostolic congregations in Mexico City in the Yucatan with Maya Indians and visits with a congregation in Hammond Indiana Her observations were preserved on a remarkable collection of sound recordings and films For this book she presents a selection of conversion stories that highlights the personality structure and experiences of the speakers A detailed analysis of the phonological and suprasegmental features of the recorded utterances show a surprising cross cultural agreement This led Goodman to believe that glossolalists speak the way they do because their speech behavior is modified in a particular mental state often termed trance into which they place themselves In this light the glossolalia utterance is seen as an artifact of a hyperaroused mental state or in Chomskyan terms as the surface structure of a nonlinguistic deep structure that of the altered state of consciousness Goodman describes the hyperaroused mental state as a neurophysiological phenomenon as well as the associated patterns of movement and the problems of waking from it Goodman s diachronic approach yielded equally surprising data about the changes and the waning of the behavior over time But as she observes we have barely touched the edge of a very large area of inquiry Her fascinating study opens a number of new avenues of research for anthropologists such as the study of physiological states accompanying linguistic and ritual behavior

Master Keys Harold McDougal,1988 *What the Bible Says about Speaking in Tongues* John Argubright,2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets *The Language of Heaven* Sam Storms,2019 Few other issues have separated the church more than the issue of tongues Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the spirit What does the gift giver say about the gift He gave Storms seeks to bring balance to this subject in *The Language of Heaven* as he wrestles with this s
