**Buying a Bride** Marcia A. Zug,2016-06-07 There have always been mail order brides in America but we haven t always thought about them in the same ways In Buying a Bride Marcia A Zug starts with the so called Tobacco Wives of the

Jamestown colony and moves all the way forward to today's modern same sex mail order grooms to explore the advantages and disadvantages of mail order marriage It's a history of deception physical abuse and failed unions It's also the story of how mail order marriage can offer women surprising and empowering opportunities Drawing on a forgotten trove of colorful mail order marriage court cases Zug explores the many troubling legal issues that arise in mail order marriage domestic abuse and murder breach of contract fraud especially relating to immigration and human trafficking and prostitution She tells the story of how mail order marriage lost the benign reputation it enjoyed in the Civil War era to become more and more reviled over time and she argues compellingly that it does not entirely deserve its current reputation While it is a common misperception that women turn to mail order marriage as a desperate last resort most mail order brides are enticed rather than coerced Since the first mail order brides arrived on American shores in 1619 mail order marriage has enabled women to improve both their marital prospects and their legal political and social freedoms *Buying A Bride* uncovers this history and shows us how mail order marriage empowers women and should be protected and even encouraged

NEW TESTAMENT HARMONY, AD 57 - 58 Robert Hodanko,2024-11-25 This book presents a harmonized chronology of the New Testament accounts for the period AD 57-58 All dates are approximate and are based on the determination that Jesus was crucified on Friday April 7 AD 30 Every effort has been made to present an accurate chronology of the New Testament events The 27 books of the New Testament were written by several men of different backgrounds and levels of education over a period of several decades under various circumstances e.g. on missionary journeys in prisons in exile on two different continents Asia and Europe Yet there is a remarkable harmony in their eyewitness accounts and teachings Such harmony provides strong evidence that the New Testament scriptures were inspired by God otherwise the historical record of the New Testament could not have been written with such unerring accuracy The purpose of this book is to highlight and trace this harmony Hopefully it will serve as a tool in your study of the Bible
