SECOND EDITION

The image shows the front cover of a textbook. The background is a dark green color. At the top, the title 'Systems Analysis and Design' is written in a white, serif font. Below the title, a white line graphic resembling a circuit board traces a path across the cover. On the right side, there is a vertical yellow strip containing three light blue oval shapes, each with a thin black outline. The bottom-most oval is larger and has a double-line border. On the left side, there are three overlapping, light beige rectangular shapes that look like pages or tabs. The middle-most tab is labeled 'SECOND EDITION' in a bold, black, sans-serif font. At the bottom of the cover, there are two green inverted triangles pointing downwards, connected by a white line that follows the circuit-like path.
