Sibanda,2022-12-31 The Covid 19 pandemic was global in its spread and reach as well as in its medical social and economic effects In many respects the global effort to flatten the curve produced a flattening of experience around the world and a striking coincidence of similar experiences in countries the world over The identity simultaneity and uniformity of experience were also manifest in common concerns at the intersection of law and religion in many nations around the world including Africa The lockdowns and closure of religious worship centres churches mosques and religious organisations of all sorts raised questions of freedom of religion and the related concern for freedom of assembly along with concerns about the relation of religion to science and public health religious channels of communication and religious provision of social services After all health communications and social services are all areas in which African religious organisations play key roles Potential tensions around these issues raised further considerations about the nature of religion state relations the status of religious authority and whether religious and state actors would work together or at odds in addressing the Covid 19 pandemic

Times educational supplement Scotland and the Times higher education supplement TB Joshua Monday Ogwuajo Ogbe,2019-05-09 TB Joshua The Misunderstood Misrepresented Prophet at SCOAN Never a time like our time has the church being so divided on diverse metrics than now We see each other as rivals rather than brethren We spend too much time arguing over scripture the right or the wrong denomination doctrines creed who is a man or woman of God and who isn't who is a devil and who is a saint Most believers usually only have fellowship with those in their own church or group This segregation is divisive to the detriment of the singular mandate Jesus gave every believer to go out and make disciples of all nations teaching them to obey all that He has commanded us Matthew 28 19 20 The early church was one this was Jesus prayer for his church in John 17 21 23 Let's spend the time that we spend fighting each other by showing the love of Christ giving our time to helping others supporting the church as commanded The assignment of making disciples of all nations cannot be handled by one ministry even if it has 2 billion members Every part has a function that others can't supply effectively The eye is not the leg and the leg is not the hand Each part of the body of Christ is optimized for a particular function that displays the diversity of our heavenly Father I have written this book TB Joshua the misunderstood and misrepresented prophet at Synagogue Church of All Nations SCOAN to draw us to the need to extend a hand of fellowship with SCOAN and our brothers and sisters in other fellowships around the world This cannot happen without knowledge of the ministry Only in knowledge can understanding come I met TB Joshua one on one in April 2010 in his office and have fellowshiped with the ministry more than three times This is driven by our burden in otakada.org to see the body of Christ united in spirit By the time you are done reading this book you will gain information you never had before on the need for unity as shown to me by Christ on the 22nd of April 2006 You will be desirous to engage other ministries like SCOAN as you will see the need to open channels of communication with other ministries beyond your own so that you will be an answer to Christ's prayer on unity because of your selfless action to engage lovingly with other brethren Monday Ogwuajo Ogbe Now let's put this all together Jesus prayed in John 17 that the Body of Christ would be united with the Godhead in the same way that He Himself is united with His Father The implication is that when people see us they have seen the Father And if they don't believe us on account of our words they should believe us on account of our works because we are to do greater works than Jesus did That is the kind of unity that will cause the world to know that the Kingdom of God has come near them Kris Vallotton **The Man Called T.
