Spotlight sections offer historical or cultural perspectives on each point in the process and new coverage of material investigation, colour analysis, presentation and curation, as well as advice on IP and copyright. You will also be guided through the three stages of textile design where you will generate your idea, work to develop it and create your developed idea in the studio. By engaging with this approach and exploring new ways of seeing ordinary things through the key themes, you will learn to create incredible effects in your textile design.
