Sports Marketing Manfred Bruhn, Peter Rohmann, 2022-09-24 This book provides the basic knowledge basics for professional sports marketing and gives suggestions for management practice In the course of social and economic development sports marketing has grown from rudimentary beginnings into a highly professional and complex discipline that not only affects those directly involved but has also involved other interest groups stakeholders who often pursue their own and not always compatible intentions and interests In addition megatrends such as digitalisation and globalisation have given new impetus to sports marketing just as sport itself has changed significantly in all its different manifestations and structures including professionals and amateurs sponsorship and organisation self determination and external determination The authors present the basic building blocks in sports marketing in a compact manner and outline framework conditions special features strategy development and the use of marketing instruments In this way they create knowledge and understanding for successful sports marketing in the future The content Sports marketing at the centre of different markets Basics of sports marketing Performance aspects in sports marketing Prices and contracts in sports marketing Communication issues in sports marketing Distribution channels in sports marketing Perspectives of sport opportunities and risks in sports marketing

Dream Facades Jack Balderrama Morley, 2026-03-03 For fans of Jia Tolentino and Amanda Montell a probing and lively exploration of the unlikely dwellings we regard on reality TV and what they say about American history modern life and the architecture of our desires People like reality TV There s been a lot written about the cult of celebrity how this reality angle draws us in through a mix of voyeurism and relatability But when we look at the houses on these shows what are we seeing Predominantly multi million dollar single family homes in areas that forcibly removed minority groups and mimic the style of a whitewashed age Why do we watch and covet these conservative homes while professing to want lives unbound by heteronormative patriarchy and outside of suburban fantasia Jack posits two main theories that our relationships with these shows and social media have conflated our physical dwellings with the spaces projected onto and projected out from our screens to create a physical digital hybrid home that we see as representative of our actual home and that what we actually covet when we covet these houses is safety and security not the specifics of the styles being sold Dream Facades focuses on seven reality TV shows Selling Sunset The Kardashians The Real World The Bachelor Trading Spaces The Real Housewives of Atlanta and Fire Island and their specific associated architectural style Morley takes us through reality TV s labyrinthine properties to illuminate what makes us covet these spaces and devour these shows and what that says about America ourselves and the future of design
