have enabled this form of censorship Weaving together over a decade of research with interviews and narratives from those personally impacted by financial censorship Reitman reveals how financial exclusion has become a tool to pressure marginalized voices into silence From the executive director of a voting rights nonprofit to a teacher of Iranian poetry to adult content creators and the cannabis community Reitman uplifts the voices of those who have been targeted by these powerful institutions She uses their stories as a launching point to explore larger issues about who should have the power to censor in a democratic society Insightful and fresh Transaction Denied exposes this new and alarming form of censorship and offers a path forward by advocating for communities affected by financial exclusion and calling for more transparency of our financial systems

Power Politics Darrell M. West, 2022-08-09 Curing the causes and consequences of Trumpism It s no secret that the United States faces extraordinary political and societal challenges even as it recovers from the COVID 19 pandemic Political polarization and extremism are the most apparent symptoms resulting from long term economic and social inequities as well as a toxic information ecosystem It is easy to blame Donald Trump for the sad state of American democracy After all he abused his executive authority spread false claims and even incited violence But Trumpism is almost certain to outlast Trump himself The grievances he exploited and the aggrieved to whom he appealed existed well before he became president and likely will endure after he is gone from the political scene The current political atmosphere is poisonous for those who operate on the basis of facts reason and logic It is time to step back from this dangerous precipice and reflect on the causes of the serious threats to American democracy procedural justice and a reason based society With polarization now entrenched and authoritarianism gaining strength no one should assume that facts somehow will triumph over falsehoods and reason will prevail over emotion Drawing on his personal experiences in the D C policy world Darrell West offers advice for protecting people organizations and the country as a whole from our contemporary challenges This book makes the risks to democracy understandable by explaining specific threats and offering concrete ideas for ameliorating them It will appeal to anyone interested in American politics democracy elections mass media technology and governance
