widely believed that attending college in itself guarantees wealth thinking of a college degree as a commodity has kept students parents and higher education professionals from understanding the full range of short term and long term costs This book illustrates how the promotion of education merely as a commodity comes at a high price for both the individual and society Authors Tara Jabbaar Gyambrah and Seneca Vaught argue that the idea of investment must shift from a short sighted view focusing only on economic concerns to a broader and more holistic understanding of what college costs and what students can expect in return
