Flashback Pearson Uk:

Silent to Sound Geoff Brown, 2024-10-22 Silent cinema was never silent But from the mid 1920s onwards the sound part of the cinema experience was transformed by the arrival of films long and short with clearly audible talk music and sound effects built in It marked the most fundamental shift in cinema technology since cinema s birth The first book devoted to Britain s conversion to talkies and the result of eight years research Silent to Sound British Cinema in Transition takes a lively and comprehensive look at the production side of the British sound revolution stretching from experimental efforts in the late 19th century through the sound shorts of the 1920s to the key year of 1929 the year of Hitchcock s Blackmail Britain s first home grown talkie feature and the industry turmoil that followed The narrative concludes in 1934 when John Grierson s GPO Film Unit finally acquired sound equipment prompting a late burst of experimentation just when commercial feature soundtracks had settled down Films familiar neglected and unknown are examined override melodramas the lost Black Waters local versions of Hollywood musicals Harmony Heaven visually elaborate science fiction High Treason plus newsreels documentaries amateur films and the last phase of British silent production The impact of sound on studio technique is examined along with the industry s complex relations with Britain s strong theatre traditions with Europe and above all cinema s superpower America It s also never forgotten that the sound transition was shaped not just by technology but by the talents foibles and follies of individual people Film history with a human face

Films for the Colonies Tom Rice, 2019-10-01 Films for the Colonies examines the British Government s use of film across its vast Empire from the 1920s until widespread independence in the 1960s Central to this work was the Colonial Film Unit which produced distributed and through its network of mobile cinemas exhibited instructional and educational films throughout the British colonies Using extensive archival research and rarely seen films Films for the Colonies provides a new historical perspective on the last decades of the British Empire It also offers a fresh exploration of British and global cinema charting the emergence and endurance of new forms of cinema culture from Ghana to Jamaica Malta to Malaysia In highlighting the integral role of film in managing and maintaining a rapidly changing Empire Tom Rice offers a compelling and far reaching account of the media propaganda and the legacies of colonialism
