Hoey,2010-03-08 Fame the hugely popular 1980 musical film inspired by New York s High School of the Performing Arts was adapted as a weekly NBC television series in 1982 Though cancelled by the network after two seasons the TV version of Fame rose from the ashes to enjoy a long and successful run in syndication Among the series cast members were such gifted performers as Debbie Allen and Janet Jackson For five of the six years that Fame flourished on television Michael A Hoey was closely involved in the series production He has written a compelling behind the scenes history of the filming of the hit series incorporating interviews with a number of the creative principals as well as recounting his own experiences Here's Looking at You Ernest D. includes a list of further reading on that person An introduction bibliography subject indexes general index and 50 photographs round out the resource Book jacket
