Tardiff,2010 Editorial Reviews VOYA Laura Panter The Current Controversies series explores the social political and economic controversies that are plaguing world today Each chapter begins with a preface that offers background information on the topic at hand The chapters are organized around key questions that are answered by various authors with differing opinions The opinions of the authors of each article are those that could be found in our every day society *Consumer Debt* delves into the increasing burden of debt that middle class and lower income individuals are accumulating through credit cards school loans and high house mortgages Expenses continue to
